

Redeemer Christian School October 2024 Newsletter

Genesis 1:29 Then God said “ I give you every seed bearing plant on the face of the whole earth and every tree that has fruit with seed in it.”

Director's Note

We are so happy with our start to this year at RCS and we are blessed with being able to plant seeds in each of our children to help them grow with their walk with God throughout their lives and see them grow both spiritually and academically in God's world. We love to talk about God to our children and show God's love in our words and actions!

As we enter the Harvest Season, we see that God provides for us in so many ways, in our family members, in our beautiful nature and in all our everyday lives.

We would like to thank our parents for coming to our “Back to School Night” in September. It was nice to see so many new faces as well as to reconnect with those who started at RCS in prior years. We thank God in our daily prayers at school for our homes, food to eat, caring families, and for our beautiful nature around as now in our Harvest Season. Our backyard at RCS is beautiful and was just refurbished with new dividers and plenty of new playground mulch! We thank members of the Redeemer Lutheran Church Property and Maintenance committee and Tammy Snoke with her dedicated volunteers to help make this possible for us.

Here comes October with our Harvest Parades coming up!

God Bless and have a great October!
