

Dear Colleague,

Below is summary information for the 2021 Al Kalfus Long Island Math Fair. Please address all administrative questions to: Math Fair, c/o Christine Pette, 273 Cambon Avenue, St. James, NY 11780, (631) 584-2016, mathfair@optonline.net. Policy questions should be addressed to Charlie Windwer, cwindwer@roslynschools.org. Our website is www.ncams.org/math-fair/.html for complete details and to access all forms

New Format: There will only be one round of the Fair for all Nassau and Suffolk Students. Every student will submit a paper electronically and a presentation via Flipgrid. There are no guarantees of a medal.

A. STUDENT DEADLINES:

1. Applications postmarked by Monday, February 1, 2021.
2. Papers due by Monday, March 8 (electronic submission).
3. Presentation due by Monday, March 22 (Flipgrid).

B. SINGLE ROUND:

Judging concludes April 26, 2021

C. FEE SCHEDULE: (calculated per student whether they enter as an individual or part of a team)

1 – 4 students = \$110.00 Each additional student = \$15.00

The entry fee is non-refundable. An invoice (form C) is enclosed. We MUST receive a check, PO or PO number with your Registration (form B) or your applications will be returned to you. **Please make checks payable to NCAMS.**

D. JUDGES:

1 judge for every 4 students (whether they enter as an individual or part of a team)

E. LEVELS:

Students enter according to their current grade level
Individual levels: grade 7- 12
Team levels: grade 7-8

F. FOR SCHOOL CONTACT PERSON:

Upload to the Google Drive by **February 1:**

1. student applications (Form A-1 or A-2)
2. school registration (Form B)
3. Purchase Order (or mail a check made payable to NCAMS)

Upload to the Google Drive by **February 1:**

1. download the form entitled “Student Entries-excel spreadsheet” from the website at www.ncams.org/math-fair/.html
2. fill in your school name at the top, as well as, the name, grade and topic for each student.

Upload to the Google Drive by **March 8:**

1. student's research paper

Upload to the Google Drive by **March 22:**

1. FlipGrid presentation

G. TEAMS (Grades 7-8 Only):

Teams compete only against other teams, and no student can enter both on a team and as an individual. A team will produce one paper. An individual entry may not be converted to a team entry and vice versa. No team changes can be made after the application deadline.

1. Composition of Team: Two or three team members. Team members can be from different grade levels but must then enter on the oldest student's grade level. No student replacements are allowed. All students must be from one school.
2. FlipGrid Presentation: There is a 10-minute time limit. Each member of the team must participate equally in the presentation.

H. AWARDS:

All participants will receive a certificate of participation. Judges will award either a Gold, Silver, or Bronze Medal, or No Medal to the papers they adjudicate. All medals will be mailed to the school.

**2021 AL KALFUS LONG ISLAND MATH FAIR
