Singing the songs of
Aretha Franklin - Whitney Houston
Diana Ross - Tina Turner
Sponsorship Available

Sherma's active participation in prestigious song competitions and talent shows won her numerous national awards. She placed first in the Caribbean Song Festival establishing her as a formidable songwriter. Sherma was then awarded a National Merit Scholarship for gifted youth to study at the accredited Berklee College of Music, Boston MA, which is acclaimed by industry insiders to be this nation's "go to" school for contemporary music. Sherma toured and worked with many accomplished recording artists. Sherma filled in for Whitney Houston during Enrique Iglesias' World Tour. She worked with Branford Marsalis, Britney Spears, Donna Summer and opened for Michael McDonald and Michael Feinstein. Sherma also performed for President Bill Clinton's Foundation Gala and many festivals including The Montreux and Cape Cod Jazz Festivals. Her songs have been played on The Young and The Restless, the movie, Against The Ropes, The Sopranos and other TV shows.

Sherma Andrews is no stranger to the stage and has performed in Madison Square Garden, Jazz at Lincoln Center, Bergen Performing Arts Center, The American Music Awards, Teen Choice Awards, Billboard Music Awards and many others. Sherma Andrews. Singer, songwriter, arranger, producer, pianist and recording artist, is not just a phenomenal talent, she is an experience to remember.

When I sing, I establish a true connection with my audience, and we embark upon an unpredictable and fascinating journey that is as unique and beautiful as the faces I gaze upon.....Sherma Andrews

A Tribute to John Denver

Sponsored by: Jane Webb & David LaCagnina
Janey & Jon Swift

Chris Collins and Boulder Canyon have toured internationally delighting audiences with their talent, warmth, humor and passion for the music of John Denver.

With similarities between award-winning, singer/songwriter Chris Collins' natural voice and appearance to that of John Denver's, Chris brings to the stage the amazing energy and unmistakable enthusiasm that was the hallmark of a John Denver performance. Hailed as the most exciting John Denver tribute band, joining Chris Collins are the consummate musicians in Boulder Canyon. Consisting of Berkley School of Music graduates, a former lead singer and co-founder of a recording rock group, a doctorate in music, and members with numerous years of experience as musicians in many genres, Chris Collins and Boulder Canyon have been receiving delighted acclaim from audiences all over the country and abroad while emerging as the top performers of John Denver's music.

With the show's captivating performance and stunning visuals of nature, Chris Collins and Boulder Canyon perform many of John Denver's famous hits such as Rocky Mountain High, Take Me Home, Country Roads, Annie's Song, Sunshine, and many others in an unforgettable concert in tribute to one of the greatest artists of our time.
