

## Rescue Hose & Ladder Co. Ambulance Service 2021 Updates

Valued Community Member,

We would like to thank you for your support this past year, as 2021 was our busiest year to date. Please remember to exercise good hygiene practices as COVID numbers are still on the rise. We continue to maintain our best efforts to use personal protective equipment and disinfect the ambulances to ensure the highest safety of all patients. Throughout the ever-changing world, it is important that we can assure you and your loved ones that we are providing you with the best care possible.

### **WHAT IS A MEMBERSHIP?**

Every year our company sends out mailers for a subscription to our Ambulance Service. An Ambulance subscription is a wise investment that could save you hundreds of dollars. Like Doctor offices, with most insurances, Ambulance care has a co-pay. With a subscription to our Ambulance Membership, our company will waive your co-pay fees for emergency calls, treatment no transports, and lift assists. There are different options which include: Single, Family (those that live in the same residence as yourself), and Senior rates. This subscription unfortunately does not cover non-emergency transports, for example: Hospital-to-Nursing Home or Hospital-to-Hospital copays/deductibles.
