Feb. 4th 2018

Meeting was called to order by TERRY 2nd by Connie. Our meeting was led by Biz leading with the pledge of allegiance and a moment of silence for our troops. Connie made a motion to approve, Biz 2nd all approved. I read aloud our January minutes report a motion to approve by Connie, Biz 2nd. All approved. Connie read aloud our Treasure report, Sheila motioned to approve, I second. All approved. We were all discussing road clean up and where we are doing our part. Biz Sheila, Abe, Daryl, Seder Jr ,myself Terry and Connie all decided to stick to our normal routine. Cleaning the road from the Bambi Lake sign on up to Rosco's. We also want to give one of our fellow Goat some get well wishes. Abe and Sheila went to the seminar in January and brought back some useful information, thanks, you 2 your awesome... One thing I read in there really stood out to me and I honestly think it's a whole lot of Bologna. But what I had read was Michigan has no profiling law. Which means any officer of the law can stop you if they don't like your patches or the color of your bike etc. That to me is discrimination against us riders, that officer should be held accountable.

Terry and Connie motioned for a break, I 2nd and all approved. Meeting was called back to order by Terry, Daryl, Seder Jr 2nd all approved.

I can't stress this enough... We would like to invite all members and non-members out to our meeting. Each and everyone is welcome. Outer meeting is held at Rosco's in Roscommon Mi. the first Sunday at 1pm until 3 usually but sometimes we are having fun and we run over a little.

We talk about it laws and rights, events etc. So come on out bring some friends and join us. We would most definitely love to have you.

At the end of our meeting before Biz motioned to end the meeting and before I 2nd, I decided to take a group photo. I do have to say we are one good looking group. Pictured (Back row) right to left Daryl, Seder, Jr, Biz, Terry, and Abe (front row) right to left myself (Francesca) Sheila and Connie.

I hope to see more people at our next meeting....
