

1979 Triumph TR-7 for Sale, Make Offer

This TR7 Roadster has not been driven since 1998 but has been in the garage since then. It has the manual five speed transmission and dual carburetors. It has 79,900 miles on the odometer. The car cranks but does not start. Passenger's front fender and driver's door were both repaired before re-painting. The top was replaced and stored in the up position. The hood closes but is difficult to release.

The TR7 is in Naples, FL and comes with a clean title. Contact Joe at Jmane67@aol.com or Heather at HeatherAnn99@aol.com to see the car or with any questions.
