This year marks the 12th Annual Ambulatory Endoscopy Clinic Day. This conference has been a great forum for Physicians and Clinic Directors to come together to discuss issues pertaining to the practice of endoscopy in and out of the hospital setting. This event offers vendors an excellent chance to meet individuals on a personal basis.

Plans are presently underway for this year's conference and we have once again secured the Westin Prince Hotel, Toronto as our venue.

Prior to this year's meeting we would like to get your suggestions on how we could improve the sponsor experience. Please contact Judi Luscombe, Course Administrator @ aecinfo@ymail.com with your responses.

Once again we welcome industry to help us produce this exciting program. We are asking for sponsorship at arm's length, as described below.

Gold Sponsor - \$5000 – 3 attendees

Silver Sponsor -\$2500 – 1 attendee

Sponsorship will be recognized in our program and acknowledged by the faculty. Your representatives will have access to the talks and they will be able to interact with attendees during breaks and lunch. Space will be provided to set up a booth to display equipment of interest to our guests.

We welcome your partnership at this unique meeting.

Best Regards,

Iain Murray
