**The Foundations of Evidence-Based Care: Internalizing
Advancements in Addiction Treatment**

***First-ever Sonoma County Conference on Scientific Findings and National
Recommendations on Substance Abuse Treatment – March 27, 2015.***

Sebastopol, California – CHI Recovery will offer this important one-day conference to addiction treatment professionals and community support associates, introducing current practices in the field of Substance Abuse Disorder. This conference is open to all healthcare/community/legal/educator support professionals working with substance abuse disorder. Space is very limited, so please register today.

The program includes an all-star lineup of healthcare and addiction specialists, including a special keynote address from Dr. Keith Humphreys, Professor of Psychiatry at Stanford University School of Medicine and Career Research Scientist in the U.S. Department of Veterans Affairs. Dr. Humphreys served as one of the lead drafters of President Obama's National Drug Control Strategy and served as a member of the overarching committee of the White House Office of National AIDS Policy that designed the President's National HIV/AIDS Strategy.

Other speakers include **James Sorenson**, PhD, Professor of Psychiatry University of San Francisco, researcher with the National Institute on Drug Abuse; **Steve Tierney**, EdD, CAS is the program chair of the California Institute of Integral Studies' graduate counseling psychology concentration in Community Mental Health and specializes in adolescent addiction issues and new therapeutic models; **Howard Kornfeld**, MD – Medical Director for both Recovery Without Walls and Pain Management and Functional Restoration Clinic, Highland Hospitality, Alameda Health System. He is a member of the Clinical Faculty at UCSF School of Medicine, as well as serving as Expert Medical Reviewer, Medical Board of California. Robin Stuart, MFT (along with the CHI Recovery Panel), Becky Kuhn, PhD, Jennifer Golick, MFT, Jody James, Lac will also be presenting.

Where: Agatha Furth Center, 8400 Old Redwood Highway, Windsor, CA 95492.

When: March 27, 2015, 8:30AM.

Cost: It's all in the genes... so WEAR JEANS AND GET IN FOR \$25! Non-jean wearers will be asked to donate another \$25 to next year's event!

CEUs are available in some fields at an additional charge.

Registration: Register and pay online by going to www.chirecovery.com/registration
