“LABOR DAY, EACH AND EVERY DAY”

Nehemiah 2:17-18: The hand of God which is good is upon me.

Nehemiah means “the Lord comforts.” Appropriate for time of hope and fulfillment.

Number one issue! “Hear God and rebuild the walls together!”
Nehemiah had a strong personal faith, prayer life and conviction of divine help.

Nehemiah 2-8:

- Honor God.
- Build your walls.
- People respond and affirm the vision.

Expect opposition: Overcome hostility and intimidation.

- Don’t be intimidated
- Arm yourselves
- Go to work
- Keep watch

Trust God for provision and protection..., it’s contagious.

Life Lessons from Nehemiah:

- Prayer expands your vision.
- Trust God to provide and protect.
- Teamwork is essential for the completion of any major task.

Ask someone that has been there..., has succeeded, has overcome, is established.

There are always three options:

1. You can leave it as it is.
2. You can ask God for help.
3. You can Unite for success.

You will succeed with the total help of God.
What is God’s challenge for you today?
