

Veterans Day Celebration at Kospia Farms

Saturday, Nov. 2nd 10am-4pm

Join us for our 4th annual celebration of our Veterans and First Responders! Our day will be filled with family focused events and fundraising activities to benefit our local Veterans and Boy Scouts. Our ceremony begins at noon and includes a reading of names (active, retired and in memory), so please send us names and service info on those you want included in advance of the ceremony. Our local Boy Scouts will be doing the official Flag Retirement Ceremony, so please bring your old flags with you or drop at our store anytime ahead of the day. Proceeds from the day will benefit the local scouts and Keystone Warriors, an Eastern PA based 501(c)(3) nonprofit corporation that seeks to honor all branches of the United States Military. Funds donated are used to support local post 9/11 veterans and their families located in or with ties to Pennsylvania.
