RE: 2022-2023 Company Appointment Renewal Bills - Past Due

You are receiving this notice because this email is associated with a company licensed in North Carolina that may have agent appointments. If you do not handle agent appointments, please forward this information to the individual who does.

On February 11, 2022, the North Carolina Department of Insurance sent notification that company appointment renewal invoices were ready for payment on NIPR's website www.nipr.com. Invoices are available ONLY for companies with active producer appointments in North Carolina as of January 28, 2022. Payment of the invoice is required to renew all company appointments for the 2022-2023 license period.

The Department posted special instructions and FAQ's on the Department's website in the following location: <https://www.ncdoi.gov/licensees/insurance-company-and-county-farm-mutual-appointments-and-terminations/company-appointment-renewal-process>

Appointment renewal fees were due on **March 31, 2022**. The Department appreciates the many companies that paid their invoices by the due date.

Any unpaid company invoices are now **past due**. Invoices will not be available for payment on NIPR's website after 3PM CST on May 15, 2022. All company appointments will be canceled if the outstanding invoice is not paid by May 15, 2022, and companies will be restricted from processing any new appointments until the invoice is paid pursuant to 11 NCAC 6A.0501(f).
