

## Member qualifications, responsibilities, etc. (a.k.a. the “fine print”)

### Membership Qualifications

Membership is open to any salaried, regularly appointed, full-time (or retired) law enforcement officer of the United States, New York State, cities, towns, villages and political subdivisions therein, permanently employed or temporarily detailed within the boundaries of the State of New York (the employer must be governmental, non-private/commercial). A law enforcement officer (LEO), for purposes of the FOP membership, is a **police officer** (as defined in NYS CPL Art. 1.20 Sect. 34), a **peace officer** (as defined in NYS CPL Art. 2.10) or a **federal officer** (as defined in NYS CPL Art. 2.15).

In all circumstances, the individual cannot simply have a certain LE qualification and employed by a non-governmental entity. The LEO's primary duty/assignment/status **must** be that of law enforcement; the law enforcement authority cannot be secondary to another function, title, duty, assignment, etc.

### Responsibilities as a Member

I hereby declare my desire to apply for membership in the Fraternal Order of Police. I agree with the aims and objectives of the FOP as outlined in the local, State and National Constitution & Bylaws, and I shall conform to all said rules. I pledge to respect all laws of the United States, the State of New York, and to support law enforcement in every way I can. The lodges' Constitution & Bylaws are available, upon request, once membership has been accepted. I also attest that I am qualified to apply for membership, and that the information supplied by me on the application is both accurate and truthful in applying for membership, and that any misrepresentation or deception on my part will be grounds for the denial of my application or expulsion from the Order.

### Regulations regarding FOP name, logo and paraphernalia

If you participate in the optional NYSFOP License Plate Program, such plates will be revoked by NYS DMV if your membership status is not maintained. Additionally, the FOP regulates any and all use of the copyrighted FOP name, logo & emblem (collectively known as “the marks”) and prohibits the use of it in any manner w/out the express permission and consent of the FOP.

### Proof of Law Enforcement Officer Status

A b/w **photocopy** of your law enforcement ID card (active or retired) **or** a letter from employer on official letterhead (with current date) verifying your present law enforcement status, **must** be provided to process your application. We have documented cases of non-law enforcement trying to join the FOP, as well as those who no longer work in law enforcement but are trying to remain in the FOP. In addition, the State and National Lodges periodically audit the member rosters of local lodges to maintain integrity.

### Agreement and Signature

I have thoroughly read all items listed above as well as the membership Application and hereby agree to all items as stated and **affix my signature and date (on application)** in furtherance of my membership application.
