We are delighted that Shannon Piette, Executive Director of Richeson's School of Art and Gallery will be joining us to share some pastel fun!

And don't forget to bring funds to shop for pastels, if you need some new painting inspiration! Shannon always gives us a great deal on Richeson's products.

To participate in the annual WPA painting exchange, please bring a small work, unframed is fine. The exchange will be held after lunch.

Lunch at noon – WPA Potluck, please let the hospitality committee know what you plan to bring. Refrigerators & a microwave are available for storing/heating lunch items. Water & Cider will be provided.

Join us for the full day, or as much of it as you can! To shop, come between 9:30-noon, as Shannon usually packs up and leaves for her drive back to Kimberly, WI.
