HAPPY ANNIVERSARY WERKMAN TRANSPORT

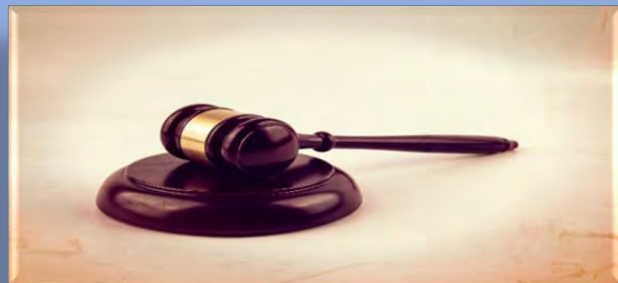

Werkman Transport is 15 years old!

Jason bought his first truck 15 years ago on April 8th, and so Werkman Transport was born!

The DOT is coming out of hibernation now that it is spring! Please take a moment to ensure you have all necessary paperwork and documents in your cab:

- original pink card
- original registration
- current safety fitness certificate-expires 2024
- logbooks which are correctly filled out

Please make sure you are submitting your weekly paperwork in resealable bags. The weather is unpredictable at the best of times and we need our paperwork to stay dry!

Need a day off?

We have a new insurance broker! This means that we have new pink cards! I will be trying my best to get them out to everyone by mid-week next week!

Just let me know and I will put your name on the calendar!

We're on facebook!!

We have a new fancy facebook page called "Werkman Team". It's a private group for all of us to stay in touch and in the know! Just search the page and request to be added!

LOGBOOKS

When filling out your daily logbook, please make sure to enter your home terminal (Werkman Transport Box 10054 Morinville RPO, AB, T8R 0A4), the date and that you have completed your pre-trip requirements! We are close to audit time! I can feel it!

BBQ!

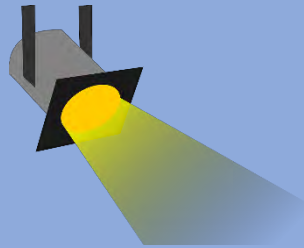

HAPPY BIRTHDAY

Faren May 10

The BBQ planning is in full swing! We have a lot of prizes to give away! Our amazing friends at Stahl, Ocean, Klarity and Drive Products have graciously donated a TON of swag to give away at our BBQ! My basement is filling up! I am hoping to play a few fun games at the BBQ. I am collecting child photos (not that way), and I'm going to post them at the BBQ. If you would like, send me a child photo of yourself and you can enter to win! I have 3 entries so far! Guess who is who and you WIN!!
