### **Mail Service**

24. For fast and safe mail delivery, the word: **express mail** is no longer to be used. The right word to be used is *Espressy* Mail. The Y on the word is a protection. The x in a word is devel removing the protection.

27. Centurymonious and Centurymungus are words used before the Century is to come. We use Centurymingas and Centurymenias after the Centurys already happen. For example, Centurymingas is used to refer to the time when the Inca of Mesicoso/Mexico was leading the Earth over the Jamaica Creations. The Inga is the correct name for the Mesicoso tribes who are called the Inca. The Inga/Inca ERA was when the Inca was put in authority over the Jamaican

creations and that is why they were all killed out, as they are never to led the Earth. The devels use those Peoples at the bottom to lead the top (Jamaica). The Mesicosos/Mesico/Mexico tribes of the Inga, the devels destroyed them by taking over their minds, using high powered sorcery, high insurrections, high possessions of their bodies and minds, and corroding and corrupting them.

### **Passport II – with immediate effect**

71. Everyone who has given your passport with original birth certificate, marriage certificate, baptism certificate, citizenship certificate must check them periodically to see if the federal, republic monarchy governments or the embassies, consulates, missions are using them. Check to see if you have duplicate effigies of you or look alikes. The governments when they ask for originals they are the one who are spirits who need to wear plastics, rubber, electromagnetics and other forms of fakes. They want our original documents with our faces bare and our forehead and ears and neck and face exposed with no smile so they can make up many copies and fakes of us. Just like how you see how Barak Obama makes several copies of himself in Decry 16<sup>th</sup> Level #13. There are many more Barak Obama in different skin colors, different height, and in different countries as Leeders. The government matches our finger printing to the plastic effigies they make, and they use them to represent us, while they use our trust fund, our estate fund, our monthly allowances, our homes, our cars, and everything for us that we do not know exist. The government also uses our finger print to do wicked acts and say it is us, as the look alike is similar looking to us. We are then put away in prison for a long time while they enjoy what belongs to us.
72. When the governments use the fake version of you to say you were involved in wicked acts, and they put you in prison, they then have their plastic, rubber, and electromagnetics, witnesses identify you to make the case against you stronger. The governments will also try to kill you in the prison, and they will also try to replace you with a fake plastic or rubber and so on.
73. When these government devels put us in the prison, they take your full body measurements and weight, so they can make perfect copies of us with the right size, density, weight, and height that is not easy to notice as being fakes.
74. Many airlines allow these devel species to pass through their security, or VIP area, and yet we the rightful owners of this Earth have to strip ourselves at the airports and cruise ports. The spirit devels have captured our Earths, and our Chreations, and have us living in terror, lack, hunger, and oppression.
75. You must not give the visa and passport pictures to the immigration or the passport processing, looking like a convict.
76. No Passport is to be controlled by any State, Government, City, Town or municipalities. A passport is a book for each person to pass from port to port. A passport is not a necessity. The

book pages are needed only because some states put their stamps of different sizes and visas of different sizes that needs something to put the stamp on.

77. All Airlines and vessels are now to carry passport pages so each person can have it, if they need it when they arrive at the port of entry.

Bank of America had been deceptively quiet, as they do not want me to know they are involved with the federal terrorism on me and my generations, because they are the fake “America Bank/Bank of Jamaica” and they use my signatures they have on file, and from my accounts I have with them. I wonder what else Bank of America is not telling me? I wonder what else has Bank of America responsible for doing since all banks are Federalized just like the State, City, Town, Counties, Provinces, and municipal governments? Bank of America has destroyed my life along with the Federal government because they want to continue using my money, my authority, and mu properties. They also want to continue using my children’s trust fund and estate funds, and monthly allowances illegally? They support the federal and Republic and Monarchy so they can continue to control and hold on to what is mine and yours.
  
94. I charge Bank of America and sentence you with Life Imprisonment in in a Maximum security State Prison with severe punishments until I find a better place for you to stay. I charge you for

killing me over and over and you joining with the Federals and others to kill, torture, terror, horror, and destroy me every senti and second of the day. I Charge you 6 Trillion dollars per day for what you have done to me all my life here on this Earth. This payment must last for (300) three hundred years from today, and anywhere I AM I get the payment. The payments must be with certified checks from a bank and not your bank.

### **Generational Crisis**

100. The Department of Health under the Federal Government, makes changes to your bodies before you are born. The department of Health has done numerous studies on your genetics over the thousands of years the Earth has been opened. They have been able to make your skin change color, have different texture, be rougher, and have with many germs and diseases before birth. They have mixed your sexes so you have both man and woman enzymes in you, which creates many problems to have children and to be yourself. They have changed your hair types and your brain capacity. They have stifled your brain so you cannot read, write, analyze, and they continue to inject many bad and dangerous things in you from birth to adulthood. They have added many flesh to your arm and batty (bottom) and change your feet, your legs, your lips, your features, and malfunctioned your body in their experiments. When you generate from time to time, they continue to make more and more changes and removed many necessary functions from your bodies.
