Course: Quail Brook - Blue - R - Rating 69.3 Slope 128 Par 72 / Silver - S - Rating 65.4 Slope 114 Par 72

Weather: Mid 40s / Overcast

We had a decent day for January golf. It was in the 40s and overcast. The course was really wet with all the rain during the week. Reese continues winning with a gross 78, net 70. He took care business with a par on 16, 17 and 18. Charlie had a decent round but took an 8 on the par 5 14th hole. Speaking of Charlie he finally went for a fitting at Neshanic because there is a rumor he may actually be getting new clubs. The fitting turned more into a lesson though once David saw the swing so the jury is out as to when we will actually see new clubs. Jim P had a tough day putting today and may have lost his "best lag putter in NJ" title but this may just be a one off due to having a bit too much wine with friends on Friday night. George Connors missed a hole-in-one on the 11th hole by inches. I think it was playing about 145ish with the pin middle left. He hit left of the pin and it bounced right toward the hole and it looked like it was going in. He did make the 6 inch putt. Of course he took a triple on the next hole becaues that is the way golf works. Disappointing turn out at the Stagehouse afterwards from the second foursome so I don't have much more to say about the round.
