

# LETTER FROM LEADERSHIP

We are embarking on a new horizon here at City Federal Credit Union. Our dedicated staff are ready to take on the new year with a sense of unity and pride as we continue to offer great service to our growing membership.

We have grown so much over the past year! Our Tyson branch is up and running, and we can't wait to include as many of their employees into the City FCU family as possible. We look forward to growing with our newest field of membership.

For the year 2025, we hope to provide the same great service that you have come to expect over the past 77 years, and we hope that you look to us to help with any big moments in your life.

Thank you for continued support over the years, let's make 2025 the best ever!

The new year brings an opportunity to start over in so many aspects of your life. This can include a weight loss goal, a new opportunity prospect, or even walking into a brighter financial future. Here at City Federal, we are excited to help you get to the financial goals you set for the year. Whether you are trying to save for a home, car, or even a nice nest-egg savings, we are here to help you create smart financial habits to set you up the right way. Let City Federal be your financial guiding light in 2025.
