

CEMENT AND CONCRETE WORKERS DISTRICT COUNCIL PENSION PLAN

January 5, 2015

Re: Notice to Interested Parties

Dear Active Member:

In general, every five years the federal government requires that IRS-approved pension plans, like the Cement and Concrete Workers District Council Pension Plan, be restated. The restated plan document must include all amendments that have been adopted since the last restatement, which was in 2009, as well as other changes in the pension law. The restated document is then submitted to the IRS for their review to assure that all such requirements are included in the plan document and that it is in compliance with the Employee Retirement Income Security Act (ERISA), as amended.

The IRS requires the attached *Notice To Interested Parties* be provided to all active plan members informing them that the Cement and Concrete Workers District Council Pension Plan is being submitted to the IRS for review.

If there are any questions, please call our office.

Sincerely,

Cement and Concrete Workers
District Council Pension Plan

Enclosure
