

Sugar Land Police Department

- Remember your 9pm routine (Remove valuables from your vehicle, lock your doors, turn outside lights on)
- Pay attention to your surroundings. Thieves are looking for an easy, distracted target...don't be one. Make eye contact and keep your head on a swivel
- Stay plugged in with your kids. Give them a game plan for difficult situations before they leave the house (if your friend want to break into the pool, what do you do? If your group is going to shoplift, what do you do?).
- If you're going on vacation, add your home to the House Watch list with SLPD. The form can be found on our website www.sugarlandpolice.org
