

GUIDELINES for PERFORMERS

Old West Days is 30 years old! We'd be honored to have you join us for our free daytime performances, which are all day Friday and Saturday until noon. This year's dates are October 8th and 9th at Valentine High School, Valentine, NE.

Please keep material "western" in theme. Poetry is preferred to be the "rhyme and meter" type as the majority of cowboy poetry. Musicians accompany themselves or have assistance, however, no karaoke machines or recorded background. No profanity or distasteful material. Please refrain from political issues.

Keep poem or song under 4 minutes on day sessions to give fair time to all performers. Obtain permission and give credit to the writer if reciting work done by someone other than you.

All merchandise sales will be handled by the committee. A 15% commission will be withheld from sales. Nebraska sales tax will be paid from the committee's 15% share.
