Dear Valued Business Partner,

Since 2010

Dr.WoodMolding.com has been churning quality molding to fit the needs of a growing industry. Being a small local manufacturer, Dr.WoodMolding has been able to supply to local businesses with quick turnaround time and custom orders, yet meet the needs with the utmost care and customer service.

Challenging the Market

Being a business in a competitive market, we keep efficient and effective operations. This has allowed us to offer affordable and competitive pricing; which allows you to make the sales you need in this economy.

Quality & Class

We offer 100% Solid - Locally Made – Canadian Quality & Class

Variety & Selection

Almost any type of wood can be molded to your specifications including walnut, cherry, mahogany, maple, oak, cedar, pine and poplar – all in a variety of stains. There is nothing we will not do, just give us a call!

Whether it is just an idea for a future project, a single piece of molding, or thousands of feet; any quantity, any wood, competitive pricing, short lead times, restoration molding, embossed and dentil moldings or house trim packages, we will meet your needs.

We are in the business of keeping YOU in business...

We would like to be a part of your company's success!

Contact us today!

Sincerely,

Rey, Dave & Punam-Kirpa
