Mayflower Voyage 400th Anniversary Sept. 13 - 18, 2020

Massachusetts is poised for a year of national and international significance with the 400th anniversary of the Mayflower voyage and the founding of Plymouth Colony. The anniversary will highlight the cultural contributions and American traditions that began with the arrival of English-speaking Europeans to these shores. Highlights of our trip include a visit to the Duxbury home of John Alden and Priscilla Mullins, whose love story is immortalized in the Longfellow poem, "The Courtship of Myles Standish"; a cruise of Plymouth Harbor to watch lobsters harvested, and a visit to the Cape Cod National Seashore to hear the story of First Landing Beach. We'll spend time in Provincetown, where the Mayflower first landed and where the colonists signed the Mayflower Compact before sailing across the harbor to land on Plymouth Rock. We'll stop in Hyannis and cruise the harbor past the Kennedy Compound, look in at the Sandwich Glass Museum, and see Barnstable and Yarmouth, villages founded by settlers unhappy with life under the Puritans in Boston. Finally, we'll step back in time at Plimouth Plantation, the first permanent European settlement in Southern New England, where we'll enjoy a traditional turkey dinner with costumed interpreters portraying residents of this 17th century colony. This is where history truly comes alive! (10 Meals) Available departure points are Malaga, Elmer, Woodstown, Pennsville, Turnersville, Deptford, Mullica Hill, Cherry Hill.
