I'll always remember that little girl who ran out of the house with a cowboy boot on one foot and a tennis shoe on the other,

wearing nothing but a diaper. Now you're wearing matching shoes, more clothes, and driving. You're my last one to leave home. Even though that makes me sad and I will miss you terribly, I'm also very proud and excited for you as you go on and make a life for yourself. Love and miss you always, Mom

Dear Stacie, Thanks for being such a wonderful daughter and sister. We wish you the best as you step out into the future. May Gods blessing be with you and may the road you take lead you to happy and wonderful places. Love Mom, Dad, & Patrick

-96- Freshmen Initiation -96-

Despite the humiliation of this years Freshmen Initiation, many of the victims had fun. Carrying books, wearing make-up, and pushing pennies with their noses were all apart of this years festivities.

Many of the students commented on their experiences from initiation. Melissa said, "When they dressed me up like a farmer was the most embarrassing". "Painting the "M" was fun, but it was also messy", Desi added. Adrian also said that, "The most humiliating thing that was done to me was when I had to wear a bikini and tights".

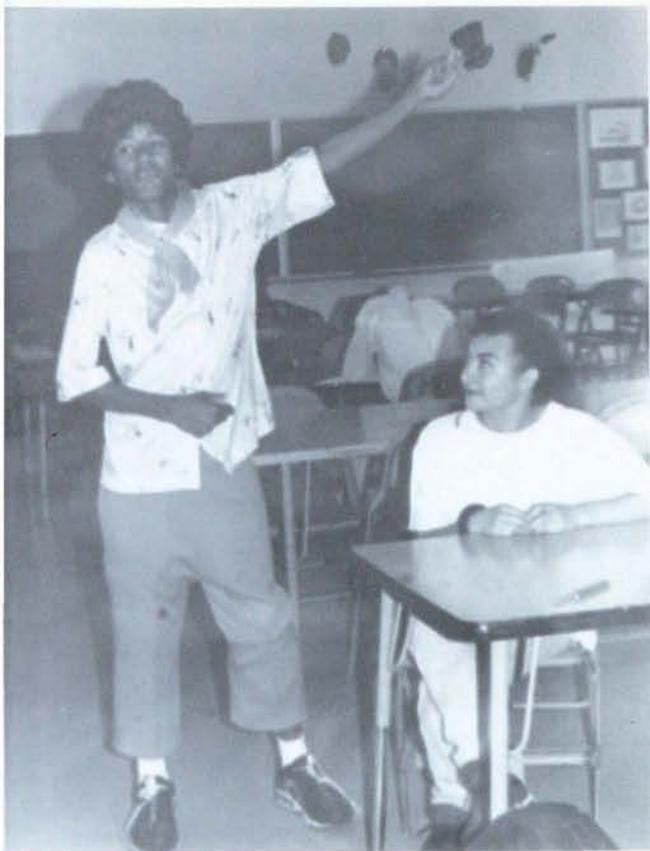

With the aid of Veronica, Gerald puts on his daily make-up.

Justin bows to his master with loyalty.

Homecoming

Week

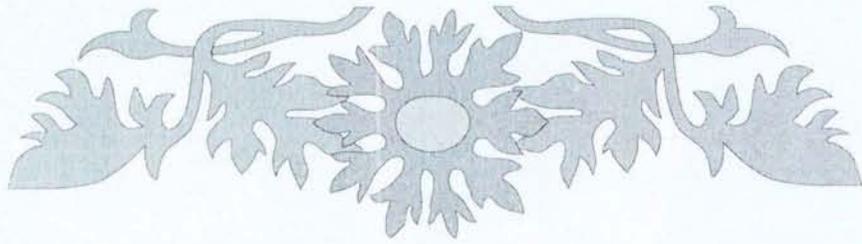

Homecoming Week started with :
Monday - Pajama Day
Tuesday - Backwards Day
Wednesday - Camouflage Day
Thursday - Maroon and White

Thursday the students gladly approached the gym for the Pep - Rally in anticipation for all the Homecoming games. The Elementary started the event with a parade. After the parade Coach Montoya introduced the boys and then Coach Hernandez introduced the girls basketball teams. Then the Games Began !

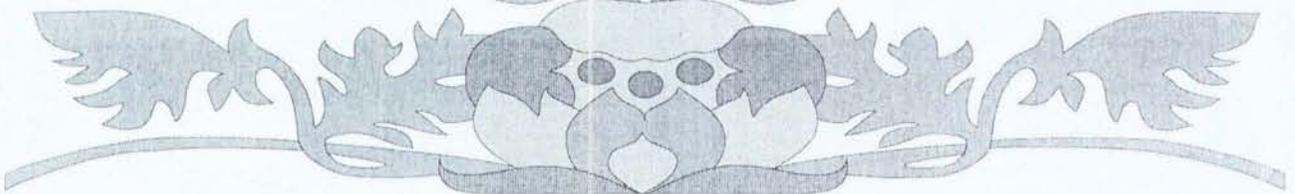

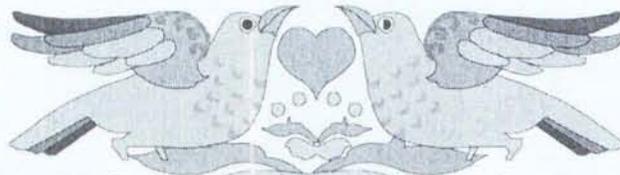

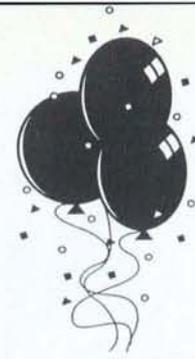

The first game was the Baby Bottle Contest in which after a few intense minutes Juniors, Jason and Carmen, won with a close second from the Sophomores, Nehemiah and Luisa. The second game was the Basketball Shooting Contest. The shooting came down to just Gerad Montoya against sister Consuelo Montoya. After one shot Gerad won for the Sophomores. The third contest was Licorice Eating Contest. The teams started munching on the string of licorice and after full cheeks and much gulping the Sophomore team, Joey and Carolina won. The fourth contest, the Tug of War, was the most exciting as most of the students had to take off their shoes and go onto the slippery floor. Through much struggling the Sophomores beat the Seniors to win the contest. The final contest was the Chant. The chant was very loud as each class stomped , screamed and yelled for the spirit stick but in the end the Seniors pulled together and retained the spirit stick for the year. Congratulations to everyone who participated.

The background of the page is a repeating pattern of the letters 'B' and 'C'. Each 'B' is followed by a small black triangle pointing to the left, and each 'C' is followed by a small black dot. The letters are arranged in a grid-like fashion, alternating between 'B' and 'C' in a regular sequence.

Discussing the game plan.

Vicky Baca, our lone Senior.

A GREAT SEASON!

Even though the Lady Steers had a new coach and a few people gone they fought hard to have a successful season. After the loss to Quemado early in the last. Then they worked hard and defeated the Eagles for the honor of hosting Districts. The Lady Steers captured the District Championship title here in their home town. Regionals were also held in Magdalena and the Lady Steers won two games that day for the Regional Championship title and a place in the State Tournament. The last Time both titles were won was in the "89-90" season. Since then it has been either the District or Regional title that the ladies have won. "One of the reasons the team did so well was consistency," said Barbara Gordon, "This team has been playing together for a long time." This season was Great! and we wish the team more successes in the future. **GOOD LUCK!!**

CONGRATULATIONS!

For a GREAT! season

THE 1996 NEW MEXICO STATE CALF-ROPING CHAMPION

TODD SAULSBERRY

Magdalena's famous Rodeo Cowboy Todd Saulsberry's best time for calf-roping is 9.4 sec. In team roping it is 7.0 sec. Todd says, the adrenaline rush and atmosphere of the rodeo is very exciting.

He hopes to eventually become a world champion roper and be someone that people will always remember. He also wants to someday be in the Pro Rodeo Hall of Fame in Colorado Springs.

His worst fear doing rodeo is getting hurt so badly he would never be able to do it again. Todd has already dislocated his collarbone during his cowboy career.

Todd's favorite rodeo idol is Joe Beaver who has won five national calf-roping championships and has won the all around title twice. To accomplish this kind of feat one has to be as diligent as Todd who practices everyday after school at his house.

MAGDALENA CONGRATULATES YOUR EFFORT AND AWARDS, TODD.

Being able to work with the group of girls we had, and see the desire, dedication, and hard work they were putting forth, made me realize that this was going to be one of the highlights of my life. This team had a lot of learning to do and came a long way in one season. We had a real young team this year, and many up and downs, but because they are young they will overcome! We all hated to see the season end so soon but this "Family" now knows what it's going to take to reach the top. Good luck to our only Senior, Vicky Baca. I had a great coaching year and Congratulations to all the girls on their achievements.

96 BASEBALL 97

Bodie Vinyard has accomplished many things during his baseball career. His first major achievement was when he was selected to the Socorro County Little League All-Stars. For the next two years he also played on the Junior and Senior League All-Star teams.

Bodie's high school career wasn't much different. He was a regular starter at second base and frequently batted in the fifth spot. Bodie was selected to the All-District team during his Sophomore and Junior years and he also became the first player ever to hit a home run out of Magdalena's New baseball field. MVP, most RBI's, and highest batting average are just a few more awards that he has won throughout high school. But the highlights of his career were being selected as a 1996 Mizuno Pre-Season All-American, being selected as an All State second teamer, and playing in the Team One Showcase which was held in Lexington, Kentucky. Congratulations, Bodie, on all of your achievements!
