Hohl's Friendly Service

November Newsletter 2017

Volume 3, Issue 11

IT'S TIME TO PLAN FOR 2018

Get your corn and soybean orders in early to ensure that you get the variety you want. Call or stop in for price quote or pick up the **New 2018 Jung Product Guide**.

You may also plan your spring food plot. We have knowledgeable staff to assist you with the whole planning, planting and fertilizing process. Watch our website and Facebook for Free Food Plot Seminars given by a LaCrosse Seed Specialist or stop in and get on our sign-up list.

Insulate with Straw:

- Keep your septic system from freezing with 12" of straw all along your drain field.
- Put straw in the outdoor dog or cat house to keep your pets warm.

Melt the Ice and prevent slipping:

- **Hi-Way Rock Salt**, melts to 5°.
- **Snow Control Ice Melt**, melts to -5°. Safe on concrete and treated wood; environmentally friendly.
- **Barn Lime**, prevents slipping in all temperatures.
- **JB 80** is great for keeping door locks from freezing and metal from rusting.

Get rid of pests:

- Hohl's carries a large selection of Products to rid your home and barn of mice and rats.
