Jon reported the ACC is concerned about the requests they are getting for metal buildings. The ACC wanted to know how the Board feels about such structures. Board suggested maybe the same criteria as the carport that was just redone couple years ago. The color should match house. The ACC needs to bring the proposal to the board.

Covenant Compliance & Review

Phil Williamson, TA – LBV

The complaint associated with the home under construction on Black Oak Drive has been resolved,

November 14, 2018 Board Minutes

property was cleaned up.

Phil reported an update on the Bee situation.

The house on dogwood did sell at auction yesterday. Benton County could not tell me who bought it. There is a dog named Mabel. The puppy is very friendly and has caused problems with people jogging by. They are afraid the puppy might trip them. If puppy still there, will call Sheriff department.

Have not heard anything about the EPA in Posy Mountain. Mr. Buhr said that since the property owners have not called back, the EPA is going forward with the complaint. He said the officer had driven him over to it to look at it. Mr. Buhr said he has a file on it. Will need to call EPA to let them know we have called the Property Owner with no reply. Carrie Webb said she will drive by and see if it is still a mess and get back with the board.

ACC Trustee said Property Owner of FHS B1 25 & 70 is asking for his building deposit back. The board discussed the lots. It was decided that part of the deposit be given back and as soon as the lots have been cleaned up, the balance of the building deposit will be returned to Property Owner.

Ronnie McClellan, TA – PMR

- No report turned in

PMR U1 27 Update – People living in trailer, cutting down trees, etc. - Ronnie McClellan – no update. – Carrie said she will drive by and check it out.

Carrie Webb reported a new street sign on Branding Iron. Street Sign says Tenderfoot Lane which is incorrect. The sign does not look like a county sign. Wonders if the camper trailer put it up. The sign is not correct. Carrie will call Jay at Benton County to check on it.

Legal and Insurance – Phil Williamson, TA

Legal

Additional legal action is going forward regarding a covenant violation in Posy Mountain Ranch.

The house LBS B1 61-62 was sold at Courthouse. Benton County would not give out the current owner information. There is a friendly puppy that likes to greet walkers. There has been concern about joggers falling tangling up puppy. If the puppy continues to run lose, the Sheriff will be called.

Insurance

Request for annual premium renewal is underway.

Library – Mary Gray, TA

- No report turned in from Librarian.

Parks and Recreation – Hugh Fenner, TA

Swimming Pool:

We are on final checks to make sure no leaks, then we will close and cover (arrangements have been made for winterization and closing).

Tennis Courts:

All screens have been reattached, weeding outside and around nets have been completed. Putting latch on gate. Should have estimates on resurfacing courts by end of month (Thanks to the players for their work and support).

Hugh reported that he had met with a company that does tennis courts. They had done the court at Pinnacle and at Pea Ridge. They gave him a bid of either doing 1 side of court or both sides at same time. It would be basically tearing off the cover, fill all cracks, sand it and recover. The bid for one court was \$7,000 and 2 courts would be \$13,000. I called Dennis, he said he would be down in couple of weeks and will look at the courts at Pinnacle and Pea Ridge to make sure that is what they are looking for. He reminded Dennis that the Village does not have the money to do this. A written bid will be submitted. Will discuss further at Dec Meeting.

Board discussed the ownership vote about the tennis court. Do we continue to pursue the new court being built down by rec center or leave? We have dealt with this issue for over a year. Do we want to keep tennis court? Luther needs a time line of when LBV needs to move forward. The land swap was the other part of the deal if he wasn't going to buy property.

The board decided to meet with Luther (John and Jon) and let him know we have property owners willing to help with the expense of repairing our courts. Board needs to know if he is still wanting to go thru with the deal. The board decided to discuss this at January 2019 Board Meeting after Hugh has had a chance to talk to the Property Owners and John and Jon have had a conversation with Luther.

Political – Carrie Webb, TA

A highlight of TA duties and a request for nominations was written and sent out via email blast, Facebook and put on our web site. Still seeking additional nominations. Also beginning to source volunteers for the ballot committee.

Property & Marketing – Carrie Webb, TA

For sale signs have been ordered and are being placed on LBVCA owned lots for sale. Zillow listings are gaining a lot of views but have had very little "serious" interest so far. I would like to get volunteers together to help clean up the face side of a few of the LBVCA owned lots in the Village as well as in the PMR area.

Roads & Maintenance – John Buhr, TA/Jon Testut, TA/Ronnie McClellan, TA (PMR)

John Buhr, TA (Lead)

Final mowing for the year has been completed at the Rec Center and the Community Building. Work continues regarding roadway tree and brush trimming, which will continue for the remainder of the year. Work has started up again on the cross-street culverts on Dogwood, which will take until years end to complete. We need to rent a mini excavator to place rip-rap for water flow control and hope to do that by the end of November. Time continues to be spent at the pool however progress has been made regarding the leak but until next year will not know if its 100% stopped. We will be pre-checking winter equipment and inventorying supplies and materials now that the days are getting colder and the freezing temperatures are in the forecast. Materials have been purchased for Phase One repairs of the deck at the Community Building and this repair work will be blended into the workload over the next couple of weeks.
