FULL SCALE WEDDINGS:

GOLD LEVEL SERVICE: (90% of couples choose this option): **Fully Customized & Personalized Wedding Ceremony** -- about 20-22 minutes in length. Usually for guest counts more than 30. Free consultation and mini-rehearsal in person or by video call includes 1 session premarital communication coaching which is how I am able to personalize certain portions of the ceremony. **For 2023: \$745.00; 2024: \$795.00. Mileage fee applies beyond 40 miles 1-way from Temecula.****

SILVER LEVEL SERVICE: Mostly Customized Ceremony—Includes everything in the Gold level except one section called the “Message on Marriage” is shorter & less personalized—I can explain in a conversation. Works well for ceremonies of under 30 guests, but also if you just want it a bit shorter. Total ceremony is about 15 minutes. Free consultation and mini-rehearsal in person or by video call. **For 2023: \$695.00; 2024: \$725.00. Beyond 40 miles one way from Temecula, a small mileage fee may also apply.****

ELOPEMENTS & (Ten People or Less) and VOW RENEWALS

BRONZE LEVEL SERVICE also known as Elopement: When couples ask for “Short and Sweet but still God-honoring” — Often for short notice or elopements, under 10 people total. Meet me in Temecula or I can meet you at the beach, a park, your home/backyard or other setting, with no set-up (no aisle, chairs, music, etc). A standard ceremony with very minimal customization that lasts 10 minutes. **For 2023: \$450.00; 2024: \$495.00. Beyond 40 miles one way from Temecula, a small mileage fee may also apply.****

JUST THE TWO OF YOU

SAY AND SIGN: Just make it legal—fast and affordable. **ONLY** the two of you meet with me. Everything can be done in 5-10 minutes as this is the minimum the law requires for legal marriage, plus an optional brief prayer & photo of you on your phone. Fee: \$149 if you visit my Temecula home, or I can meet you at your home, office, restaurant, coffee shop, etc for \$199 to \$299 depending on travel distance. This is for when you just need to be legally married for tax/insurance/medical/military/real estate or other reasons. **You must obtain a CONFIDENTIAL LICENSE in advance from the county** because that type of license doesn’t require witnesses. (I cannot issue marriage licenses, I only sign them.) Please bring valid government photo ID. “Say and Sign” is not a formal ceremony and not for venues, guests and isn’t for beautiful photos. Less than 15 minutes from hello to good-bye! Often available on short notice for weekdays/nights and some weekends. Call/text 951-234-6538 for availability!

REHEARSAL for FULL SCALE WEDDINGS

if you have a professional coordinator, or if the venue provides one, then 90% of the time, you don’t need me at your rehearsal because your coordinator can lead it for you, and we will have had our own “Mini-Rehearsal” during our consultation. Plus on your wedding day, I will arrive 45-60 minutes early to refresh everyone’s mind on what to do, AND all during the ceremony I whisper cues to you for what to do next. Only for 10% of weddings where you don’t have a professional coordinator or if your ceremony is very complex do you need me onsite for a rehearsal. In those cases it is WELL worth a few dollars for me to be there for you. Or perhaps you’d just be more emotionally comfortable with me there to either lead the rehearsal or assist by being there. **For 2023: \$200.00. Mileage fee applies beyond 40 miles 1-way from Temecula.****

PRE-MARITAL RELATIONSHIP COACHING

Includes professional online relational assessments, SYMBIS, MBTI, and Love Languages. Three sessions at 90 minutes each (in my home or by Google Meet or Facetime) to review the results of everything and learn/practice effective communication. More specific info at <https://tinyurl.com/3r49yeh5> \$495.00, but I offer package deals if you also have me lead your wedding ceremony--\$50 off for choosing Gold ceremony, \$25 off for choosing Silver.

****MILEAGE FEE:** None for venues within 40 miles one-way of my home in South Temecula. For more than a 80-mile round trip, there is a fee of 75 cents per additional mile roundtrip. (Example: 130 roundtrip miles = 50 additional miles x 75cents per mile = \$37.50)
