President's Message

Being it was June, and with graduations and weddings, we had a lower turnout then normal, also the meeting was in Pa. ,a 2 hour ride for most members. But what a wonderful day we had at Charles and Lisa Musto's First we stopped at Charles' warehouse. Charles, Lisa and their daughter, her friend & Uncle Adrien had performed a renovation in the shop and display areas and it looked incredible. Check out the pictures on our NJORTC.Org web site on the photo album page. Afterward we went to an Italian Restaurant to conduct the meeting.

At the meeting our Treasure Steve explained how he invested the club money in a CD. The Tune up clinic was talked about by Rich Martin. Also discussed was the upcoming club picnic, car show and cruise nights

I hope everyone going to Knoxville has all their papers and registration completed. It will be here before you know it.

Have a safe and happy 4th of July and see you soon. Please say prayers of all our members that are under the weather.

Let's put a stop to Cancer

June Meeting

Our hosts were Charles and Lisa Musto. Not only did they host a meeting, but it was an outing. Charles had a tour of his newly renovated shop and car display. In display were his E and F Birds-finished and in process of restoration, and well as a number of Dual Ghia's. Two of the Ghia's are fully restored and he has two or three more waiting for restoration. The parts and parts cars collections is a sight to behold. He even had the trailers of parts open for our perusal. Charles did invite some members of the local Tbird club who brought out their cars. Everything is neatly stored. It was a very threatening day which kept almost all the Birds in their garages but two made the trip. Member turnout was good. Afterwards we went to a local restaurant had had some good food. Thanks to Lisa and Charles for hosting.

Highlights of the Business Meeting

Reading of the prior meeting's minutes were waived. The Treasurer's report was made and accepted. Steve mentioned that he has invested some of the balance in a CD.

We did have some guests from the local Tbird club

Vice President's Message

Finally summer is here!!! Enjoy your Tbird. Season is short so just get out on the open road. Enjoy and drive safe.

Just heard that Joe Matrone underwent surgery (do not know for what), but hope for a speedy recovery. Alec is now living with his daughter, which is a good thing that he has someone with him at all times. Joanne is going through medical issues right now. Please keep her in your prayers.

I understand that Charles Musto's meeting was well attended. He showed off his garages, showing his cars, many different parts for thirds, etc. I was unable to attend, but all that went enjoyed the day.

The CTCI International convention is five weeks away. August 15th to August 19th, 2018. It is time to make all your finale arrangements. Convention is in Knoxville, Tenn. A Small group of our club members will travel to Nashville, Tenn. after convention. Get more details on the trip to Nashville from Donna Jesse.

So sorry to hear of the passing of Martha Downing's brother. May he Rest In Peace. Prayers are with you and your family.

Our Club picnic will be on Sunday, August 5th at Schooly's Mountain.. if you have never attended the picnic, please try to come, it is a lot of fun. There are quite a few activities that Bill Downing has planned. Please tell me what food you are going to bring. I have only heard from a few women. Please notify me ASAP what salad, etc. you will be bringing. My email address is finallyak@yahoo.com. Thank you in advance.
