Trip Registration Application with US Embassy

The US State Department strongly encourages American citizens planning international travel to register with the US Embassy(s) in the countries they plan to visit. This makes it possible for the US Embassy or Consulate to contact a traveler if necessary, whether because of a family emergency in the United States or because of a crisis in the country where the traveler is visiting. Embassy Registration allows the U.S. government officials to:

- Notify you in case of any life threatening situation in the foreign country or evacuation of U.S. citizens.
- Contact your family in the U.S. in case of emergency.
- Contact you if there is an emergency at home or inform the authorized person from your registration
- Expedite the application of renewing or replacing your U.S. passport, if your passport is stolen or lost during travel.

Please fill out one application per person for each trip. If listing more than 1 destination, additional countries must be part of the same international trip. Fee: \$15.00. Processing time: 1-2 days. E-mail this application and passport copy to: info@avschicago.com.
