2018's Annual Report

June 16th following the 9am Service

In honor of Flag Day, the Cub Scouts and Boy Scouts are preparing to conduct a service to formally retire tattered and worn out flags according to proper protocol.

If you have an old, worn or tattered flag, please bring it to the church and put it in the "FLAG" box that is located in the Narthex. You are invited to attend and participate in the service. that is scheduled to begin following the 9:00am service.

Golfing Outing

Sunday, June 23

is the date for the Annual Annunciation "Not Quite Pro + Definitely Amateur" Golf Outing. The location is Bonnie Brook Golf Course, and the first tee time is 12:30pm. (All golfers are requested to be present by 12:20pm per the starter.) The cost is \$30 per person for 9 holes and a cart with a sandwich, chips, and soft drink are included. A sign up sheet is located in the newly finished Parish Hall on the Signup Wall. Please sign up for you and your team and pay Carol Anderson. If you want to play and have no team, sign up anyway and Carol will get you sorted. Question? Contact Carol (847-421-3796). Remember, there are NO bad golfers, there are only extenuating circumstances!!!

Summer Field Trips are back!!!!

This year we will be going to the Anderson **Japanese Gardens in Rockford on Wednesday, July 10**

and on **August 14 we will go down to the Cathedral of St. James for a midday service.**

On July 10, we will meet in the church parking lot then car pool out to Rockford. There is a restaurant in the gardens at which we may eat or we may go somewhere else. Food is always important to this group!!!!

On August 14, we will take the train from either Waukegan or Prairie Crossing, depending where you live, and meet at the Cathedral for the service. Lunch, of course, will follow. Did I say food was important???

Sign up sheets will be available soon for both of these outings. Please mark your calendars and join us. We always have a great time. If you have any questions, please see Miriam Berry.

Annunciation Service Project

Annunciation's Annual Service Project was with Habitat for Humanity "to build safe, affordable housing" for a family in Northern Illinois, "that comes from a desire to put God's love into action". Annunciation was represented by Mark Johnson, Geoff Pullinger, Jane & Brian Penticoff, Cindy Hibbard, Lisa Klein and Dave Shrunk. Cheri

Johnson, Elizabeth Danos, Jan Harastany and Jane Schaefer provided a nourishing lunch. Joists were added to put up a second floor, the flooring was lifted and laid in place, stairs were built, spacers were cut for the joists, insulation was installed and lunch was provided. Feel free to chat with any of the individuals listed above about their experience.

Atoma - Latin for Indivisible, Atomic, that which cannot be cut
Atoma - "Annunciation" for Youth Group!

Atoma - Mission - to provide a safe and fun space for our youth; to interact & socialize with one another, to develop friendships with peers who are being raised with a common set of values, and to comfortably comment on their faith & its role in their daily lives.

5th grade and up.

Come and play with us. Look to the Parish News for our next meeting or contact Beth/Bill Hagan if you have any questions.

NOTES FROM THE NURSE

Dale Sander, RN

ADDICTIVE DRUGS

Dale's definition of an addictive drug; a dangerous, mind altering, inhibition lowering, addictive substance. This applies to alcohol, the opiates, and marijuana.

It seems inconsistent to me that the country is alarmed about the "opiate overdose crisis" and our state is considering making marijuana a legal recreational drug.

God gave us pain relieving drugs for that purpose. They do that! When they are used to get high we are misusing them.

In my experience working with addicts, I've found that it seems that the first high is so great that we try to repeat that and it takes more and more to reach that great feeling. That's how we become addicted and the potential for overdose begins. The only way to avoid overdose is to NOT USE THE DRUG!!

Here are some of the unwanted results to consider with extended use of marijuana: 1. Killed brain cells, especially in developing brains(you can't grow them back. All "dead heads" aren't in musical groups) 2. becoming addicted and progressing to more powerful drugs. 3. Potential for addicted babies at birth. 4. Possible altering of stored eggs in females, resulting in

PADS, the homeless people in Lake County. You might want to make it even better by joining us for Morning Prayer at 9:00 and perhaps going out to breakfast before we start making the lunches. If you are unable to help by making the lunches you can help by donating the food to make the lunches or just donating money to help buy the food to make the lunches. Whatever you can do will be great. There will be sign-up sheets for worker bees and for people to donate in the Narthex. Questions? Contact Pam Myers 847-917-2208 or Christine Hughes, 847-363-7303
