

2019 Gasparilla Great Endurance Run

Thursday - Saturday, March 7-9, 2019

Tampa to Kissimmee to Jacksonville to
Amelia Island

Just one month before our inaugural Concoeurs d'Elegance, we have a wonderful pre-event planned. Celebrating the 110th anniversary of the first running of "The 1909 Great Endurance Run", pre-1910 automobiles will leave Tampa the morning of Thursday 3/7/19 with a media send-off at the historic marker, stopover in Kissimmee where another historic marker stands, then end at the historical marker in downtown Jacksonville. Saturday morning, we are guests of Heacock Classic Auto Insurance, and will display at their "Cars & Coffee" event at the Ritz Carlton golf course on March 9, 2019 precluding the Amelia Island Concoeurs d'Elegance.

Limited to 16 cars preferably 1909 and older, as period correct. If there are not enough pre-1909 cars involved, we will open it up to earlier models.

A documentary film will be made of this event, so those involved will be able to participate in a memorable 110 year re-enactment, and they will have their journey documented for all to enjoy for years to come!

Although the event is certainly about fun and classic automobiles, the real purpose is to help the Shriners Hospital with the great work they do. This is a total volunteer effort. No one is making any money on it; all the proceeds benefit the Shriners and their young patients. Gasparilla Concoeurs d'Elegance Inc. is a 501c3 charitable organization.
