

Basset Rescue Crew of the Southeast, Inc.

Adoption Agreement

The mission of Basset Rescue Crew of the Southeast, Inc., is to find kind, loving, forever homes for rescued basset hounds. We are a nonprofit organization and receive our operating monies from adoption donations and fundraisers. Basset Rescue Crew of the Southeast, hereafter referred to as BaRCSE, is a 501(c)(3) organization.

If at ANYTIME during your adoption, you need advice, help with training issues, etc., please feel free to contact us. We will be happy to answer any question or to help with any problem you may be having adjusting to your new basset. Please bear in mind that most basset hounds in rescue have been abandoned, neglected or even abused in some way, and it may take time, even weeks for them to understand your routine and what you expect of them. There may also be accidents even from housetrained adults, so please exercise patience. Also, remember that puppies chew things, and bassets can be puppy-like for many years.

If you have smaller children in the household, or that might visit, PLEASE teach them to never bother the basset, or any dog, during mealtimes, with a chew toy, or if sleeping. Some dogs have food and toy issues, and children should be supervised during these times.

The adoption donations are as follows:

Puppies to age 1	\$300
Dogs age 1-8	\$250
Dogs ages 8-10	\$100
Senior dogs ages 10+	\$75
Mixed breeds up to age 1	\$100
Mixed breeds over age 1	\$75

Seniors and special needs dogs may be decided on a case-by-case basis on the determination of the officers. In the case two bassets being adopted within a one year of each other, a multiple dog adoption donation discount of \$50 will be given at the time of the second's dog adoption. Donations are non-refundable after the trial period is over. However, BaRCSE does require that any BaRCSE dog will be returned to the rescue if the adoptive family is unable to keep the dog for any reason.

BaRCSE cannot guarantee that any dog is a pure bred basset hound, except in very rare instances when the dog was turned into a shelter with breeding papers. Any dog taken into BaRCSE is believed to be a pure bred basset hound based on physical appearance. In the case of puppies, please note we try to classify them properly, but puppies may change in appearance as they grow older.

Included in the adoption donation: all age appropriate vaccinations, including rabies, kennel cough, parvo and distemper, spaying/neutering, intestinal deworming,

heartworm testing/treatment, on monthly heartworm medication, Frontline, and microchipped. Dentals done as needed.
