

'Vettes & Caffeine

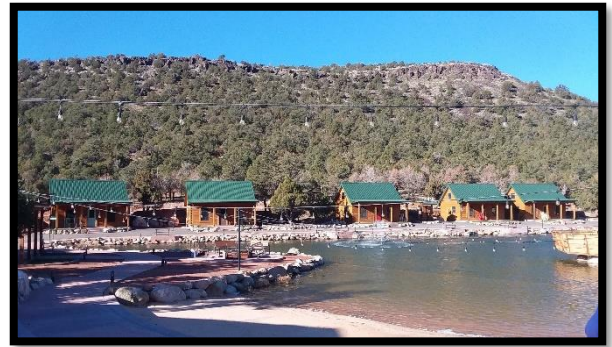

Holmstead Ranch Central, UT

Hosted by Graysen Fox

Thursday, February 17, 2022

Your Board recently toured **the Holmstead Ranch located** just a few miles north of Veyo, Utah. The visit was to conduct a site visit to determine whether the venue would be a good place to hold a future event for the club. This run is for those who are curious about visiting the site and seeing it in person. Pictures just don't do it justice. You have to see it for yourself!

We will meet at **Cafe Feellove** (in Ancestor Square at **2 W St George Blvd Suite 38, St. George, UT**) for **coffee or breakfast at 9:00am** following which we will head north up Bluff via UT -18 N. Then about 2 or 3 miles past Veyo we will exit right at Baker Dam Rd. Enjoy the scenery then turn right at the Holmstead Ranch sign and head up through the gates to the parking area.
