

ENTERPRISE TARPAULIN PRODUCTS, INC.

B & B AWNINGS

SUNSCREENS

Enterprise Tarpaulin Sunscreens, is a modular louvered panel assembly to order, and affix to an existing substructure to form an aesthetically pleasing enclosure. Panel sizes are calculated and manufactured to various dimensions and sizes according to our client's specifications. Site specific engineering, code compliance in several states (as well as international) for documentation or product approvals are available from our engineer. Finishes are available in a standard architectural color palette or custom specific selection to match your business using our powder coat process.

We manufacture an array of made to order sunscreen solutions featuring various architectural layouts and assemblies. When it comes to these specialties, we put our client's needs first. Our reputations is derived from our years of experience in the industry.
