No Riding permits will be issued without a written request from the parent/guardian AND home school principal.

Riding permit approval is subject to administration discretion. Only in extraordinary cases will they be awarded.

1. Any person who rides to school must obtain a riding permit from the Attendance Officer.
2. Permits must be obtained 2 days prior to the date the student is allowed to ride.
3. Students must have a specific reason for riding, i.e.
  - Doctor appointment
  - School activity
  - Job interview
  - Work after school
4. Students who have a permit must arrive at the Career Center *before or at the same time* the buses from their district arrive. Student drivers may lose their riding permit for continually arriving late or too early.
5. Students are not permitted to go to cars during school hours without prior approval from their instructor or the office.
6. Students must proceed immediately to their designated shop area through the front entrance. No congregating in the parking lot or halls!
7. The student is responsible for any damage done to school property or other vehicles.
