Energy Experience ~ Hands-on Healing

Hands-on-Healing ~ (Includes the following, though not Limited to)

Healing occurs when one is ready to Heal. Tapping into the **Mind Beautiful** opens up Energy Fields that will begin an immediate response that may Activate the Body, Mind and Emotions through Spiritual Connectivity. Being Open and Receptive is a first step to clearing old DNA patterns, that may still be looping from lifetime patterns and problems.

Hands-on-Healing ~ is an Ancient Alternative to Conventional Medicine, and is still practiced in Modern times. We all have the Abilities to heal ourselves, it's in our DNA and of our Coded-Christ-Consciousness. As one begins to Awaken from the Long Sleep, the Conscious Mind Remembers it is time to Receive the **Keys of Healing**. When the old Energy begins to leave, the New Energy Activates, Permeates, Alters and Heightens one's truest Assets of this incarnation. Natural Healing is a wonderful gift anyone can be received of.

We must also remember, that Surrounding the body is the **Auric Field**, which can also be damaged, wrinkled in time, ripped or pulled and extended. If the Auric Field has expanded wider than the Embodiment's personal frequency field, then the **Chakras** start to become weakened, thus throwing off the **Balance of the Body**. So, when considering your healing modalities, it is just as important to **Scan the Auric Field** of the Embodiment as well.

Hands-on-Healing ~ is **Energetic** work to assist the Receiver in their Healing Process of the Body, Mind, Emotions and Spirit. During your one-on-one Session, Mary works with **Multiple Modalities** and **Tools** in the Assistance and Guidance of the Divine Source.

Receiving, is being open and receptive to the **Energy Experience of Hands-on Energy Work**, and is a **2-way direct** connectivity through Source.

When one is ready and willing to Receive, the Frequency Fields begin to open immediately, and the **Natural Free Flow of Energy** begins to open up the old dormant and sleeping Cellular Memories. As Energy begins to move throughout the embodiment, a Light infusion occurs, **Activating** and **Advancing** the Healing Process for Proper Balance.

Mary began using her **Hands-on-Healing** abilities when she was 4 years old. It was at this tender age, that she would begin a life-long **Practice of Serving others** through her Gifts. She learned early on, that she was being **Guided by the Ascended Master Mother Mary, her Spiritual Mother, Mentor, Healer and Teacher**. For over 50 years of her life, she has been Light Activated and Assimilated with Coded-Crystals to Amplify her Abilities. Forever indebted to the Mother Mary, she has **Devoted her Life in Service** to that of others, the same Spiritual Teachings and Healings that she has learned, and continues to learn.

As Mary began to understand these **Spiritual Methods, Medicines, Modalities and Formulas of Light**, she learned how to Transmute Negative Blocked Energy, as to then Streamline the Light throughout the Embodiment to heal. In her Healing techniques, she learned how to use her **Vials of Clair**. **Clairvoyant** (psychic, visionary), **Clairsentient** (feeling-touching), **Clairaudient** (Hearing/Listening), **Claircognizance** (knowing) and **Clairience** (Smell) as **Tools**, to utilize the Energy and to Transmit the **Light of Source** to the Receiver.

She assists the Receiver in Lifting the Cellular Layers, and to Reveal the Seven Seals to Heal. As the body begins to Recalibrate layer by layer, the old and hidden blockages begin to open and Release, thus allowing the cells to Extract (clear), Balance, Calibrate, Illuminate, Activate and Align, thereby balancing the energetic field that aligns each person with their divine power to heal.

Mary tunes into the Energy of the Whole-Embodiment, and is an open and receptive Conduit, Transmitter and Activator.

Initiated by Light and Infused with Love, Mary has been using her Natural Healing abilities her entire life. Without Expectations, she is Intuitively guided by source to direct the Energy of Light wherever it is needed.

Over the many years of Service, she would eventually become a *Reiki Master* to encode and continue to Evolve the Energy Flowing through her as a Conduit. She would come to name her Modalities ~ '**Medicine for the Soul**'.
