

WRVM Newsletter – December 2018

As the clock ticks down on the year 2018 it is a time to both reflect on the year that is ending and to look ahead to the New Year about to begin. Here at WRVM, the year 2018 was another great year of seeing God at work through the Voice of the Master! We have heard from so many whose lives have been changed by God's Word. The ability to broadcast His Word over the airwaves is made possible by listeners like you.

As we look forward to the New Year, we are excited about how God will continue to use this radio ministry to reach many with the Good News. We are encouraged to know we have friends like you who help to make this radio ministry possible.

Reflecting back on 2018, we saw several unexpected major expenses come our way. Those unexpected, unbudgeted expenses totaled approximately \$250,000. Our income this year was not enough to cover those expenses. They were paid for by gifts given in previous years and held in reserve for such a time as this. We praise God for knowing and providing in advance for these expenses.

As I look forward to the New Year, my frail human spirit sees that our reserve funds are nearly empty. And I've seen that the amount of money it will take to operate in 2019 is higher than what we received this year.

This email is to let you know that we need your prayers during the New Year. Prayers for God to provide. And perhaps prayers asking God how He might use you to help answer those prayers. Let me suggest two ways to pray right now. Pray that our 'End of Year' giving helps to restore some of our reserve funds to help with the unexpected expenses that always seem to come. And then, pray that God will raise up new monthly supporters in 2019 to help us with the known expenses of 2019. All gifts are tax deductible. But more than that, our gifts to His work are a way to praise and thank God for His goodness to all of us.

May God richly bless you as you follow the Savior in 2019.
