

TSAAWASSEN
MENS GOLF CLUB

Play it forward rules.

Play is from the forward (Gold) tees. Each team requires a score card.

Please note: Hole # 5, # 16 and # 18 are par 4's, and the total par from the forward tees is 67 not 70.

On all holes every player records their gross score. For example, if you shoot below par, then record that score. Simple enough!

You can circle a below par if you like. However we will be checking for sub par holes on your score card later. Everything under par is considered sub par and is good for one point.

Have fun and don't forget to turn in your score card. 3 somes and 2 somes will be compensated when scored.
