TW TECH WEST INC.

GOLDENVAC STAINLESS STEEL LIQUID RING VACUUM SYSTEMS

The GoldenVac Liquid Ring Vacuum system from Tech-West Inc is the premier choice for dentists and hygienists. For over 30 years the GoldenVac Liquid Ring Vacuum has helped users reduce their carbon footprint and increase their bottom line by providing energy efficient, water saving technology at a great value. The GoldenVac Liquid Ring Vacuum is built to last and is backed by our industry leading 10-5-3 warranty (10 year warranty on the stainless steel impeller, housing, and base plate, 5 year warranty on the motor shaft, and 3 year warranty on all other components). Air-Water separators and Water-Recyclers are available for all models. Units are proudly made in Fresno CA. by our dedicated team of technicians and are delivered completely ready to install.
