*'Peace for us means the Destruction of Israel. We are preparing for an All-Out War, a War which will last for Generations.'* -Yasser Arafat

The purpose of this study is to show that certain Times related to the particular Phases of the Moon have influenced Israeli and Muslim Military Strikes in the Middle East. In particular, precise Moon Phases have correlated to a Direct Timing as to when Israel struck her Muslim Enemy's Nuclear Facilities in the past. If the Pattern is Reliable, then one can approximate when Israel is likewise to have some sort of Strike on Iran's Nuclear Facilities. The Premise is that it could take place in like manner, given the Pattern of the Moon Phases in which Israel has stuck in the past. There will be several points and examples from prior Military Campaigns presented that can lend Clues, as to the possible Timing of the next strike by Israel, which could be based on the Phi Ratio Theory. Nonetheless, this study strongly suggests that Israel's Strike on Iran's Nuclear Sites will most likely lead to the coming Jewish-Muslim War of Psalm 83. In fact, it has already started.

This War will be 1) Regional 2) Religious and 3) Nuclear by some estimates and evidence presented in this segment of the study. The information presented will only emphasize patterns and probabilities. According to the Bible, the Israeli-Arab, Age-Old Conflict will come to a Head at Armageddon. The Stages have now been set for an all-out Regional War that will inevitably involve the exchange and/or a detonation of a Nuclear Device as described in the Gog-Magog War of Ezekiel. It is one thing for a Nation to aspire to have Nuclear Energy as a means of an Alternative Source but what Israel rightly fears is that the Nuclear Capability of its Muslim Enemies' Weapons of Mass Destruction will be used on Israel.

Moreover, having a supposed Civilized Nation such as Iran, boast that once it will have such a Nuclear Capability, it will not hesitate to Eradicate Israel 'Off the Map' is concerning. It is no Secret that the aim of the Muslims is to Destroy Israel. What raises the Stakes is that the Nuclear Persian Army have put Israel on notice that they will use them to Destroy Israel. Why? It is because of the mere Existence of Israel as their worldview is fused into their religion, Islam. As Iran races to complete enough uranium to arm one of their Missiles with a Nuclear Warhead, their clear Aim has not been to produce Nuclear Energy to power their Nation. The Israeli-Arab Conflict can better be Assessed and Explained as a 'Religious' War. At the core of the Israeli-Arab Conflict is the Religious Question and Theological Interpretation of who has the 'Birthright?' Jacob or Esau? Isaac or Ishmael? Who is viewed as the Agents of evil and good on Earth. This Jewish-Muslim Conflict between these is only a means to an end in the bigger scheme of things to come Prophetically.

## **A Religious War**

This struggle for the Birthright has occurred since the Twins were in the Womb of Rebecca. One has gone the way of Cain and the other, the way of Abel. For Israel, it is the Struggle is for the very Heart and Soul of the Jew. It is for which 'Christ' or Messiah will be accepted, Jesus or someone else? These 2 camps within Judaism have struggled against each other for dominance and the Birthright. Jesus scolded and admonished the Religious Leaders of His. They had total control of the 'Religion and Traditions of Men'. Jesus told them that they had to choose between 2 'Fathers', and 2 Christs. It was either Abba Father, or Lucifer. They had to choose between Jesus, as the Anointed Christ or Lucifer as the 'Anointed Cherub Christ'. This battle is still raging on. Those that controlled the Jewish Religion then, control the Religion now. In fact, Jesus foretold a Day when Israel would rather accept 'Him who comes in his own Name', but not the SON of GOD that was sent to Redeem them.

According to the Bible, it was Esau who despised his Birthright and Sold it to Jacob. Out of Spite, Esau then married Canaanite Wives and has opposed Jacob's Descendants ever since. Esau's Descendants became the Edomite, Moabites, the Palestinians, etc. Such came to oppose the Hebrews from having access through the Wilderness when Moses was leading them to the Promised Land. They stood to Curse the Israelites by hiring Balaam. Another Descendant of Esau, was Haman would later conspired to Eradicate all of the Jews of the Persian Empire during the time of Esther and Mordecai in Susa. Such has been the case also with the Nazi Regime as the highest offices of the Party were Jewish, descendants of Esau that perpetrated the 'Final Solution' against the Jews; to murder every one of them off the Face of not only Europe, but the World if they had their Satanic Way.

This coming War between the Jews and the Muslims will only be a process to yet another Stage. There is another Level of Consolidation of Power for the Luciferian Agents that are in Control of this present Evil World. The ultimate Showdown will be between the 2 Christs, technically that of Jesus Christ and the Anointed Cherub, Lucifer at the Battle of Armageddon. According to the Bible, it is really a no Contest. Jesus Christ, is the True and Only Christ. Jesus, the Anointed One will destroy the Armies of the AntiChrist at Armageddon by His mere Presence and Splendor of this Word that formed Creation out of Nothing.

Since 1948, the Modern and Sovereign State of Israel has had to fight for its Survival. It has also been a Victim of a Surprise Strike on the Jewish Holiest Day –Yom Kippur in 1973. To have Israel 'Exist' or even Co-Exist is Anathema to the Radical Islamist. Why? Because to have Israel 're-birthered' after the so called 'Last Revelation Of God' from a False Prophet Mohammed invalidates the Quran and Islamic Religion. Why? It is because YHWH is not done with Israel and in fact thus YHVH will honor His Word to preserve the Birthright given to Jacob and his Descendants, not to Esau's whom now most are Muslim by Religion and Arab by Race. As to the End Game Plan of the Luciferians against Israel? The Radical Muslims have been allowed to take over country by country to insure an Encirclement of Israel and go in for the Kill -at some Appropriate Time with Subsequent Invasions of Israel by the Muslims.

- 1) *The Inner-Ring of Muslim countries speculated to by the Psalm 83 War.*
- 2) *The Outer-Ring of Muslim Nations led by Russia speculated to be the Gog-Magog War.*
- 3) *The Battle of Armageddon as the Nations of the World encircle Jerusalem.*

### **The Samson Option.**

It has been estimated that Israel has anywhere between 200-400 Thermonuclear Weapons in its Nuclear Arsenal. These can be launched from Land, Sea and Air. This gives Israel a 2nd Strike Option with its Submarines in Deep Water, even if much of the country is destroyed. This is called the Sampson Option. This Samson Option is a Term used to describe Israel's alleged Deterrence Strategy and Capability. It is a Doctrine of Massive Retaliation with Nuclear Weapons as a 'Last Resort' against Nations who Military attacks or threatens Israel's Existence. Much like Mutual Assured Destruction (MAD) with the US vs. USSR during the Cold War, Israel would exercise this Option, if Israel would be seen as about to be destroyed by its Muslim Enemies. The Sampson Option is taken from the Biblical Story of Judges 13. Samson brings down the Enemy Philistine Temple by pushing the supporting 2 Pillars apart that he was tied to them to be shown as a Spectacle. He not only killed all the Philistines in it, but also himself by this act. He 'Brought the House Down'.

It should be noted that Israel is not part of the international Body of Nations that are accountable to the UN's Nuclear Watch-Dog Group. Nor is Israel part of the Non-Proliferation Treaty that promises Peaceful Purposes of its Nuclear Energy Program; mind you neither is Pakistan for that matter. At the core of this Religious Conflict between the Descendants of Jacob and Esau, Isaac and Ishmael is whether Israel has the Biblical Legal Claim and Right to the Land. There are numerous Biblical Covenants made to Jacob and Isaac by YHVH regarding the Abrahamic Covenant. There are other Prophecies that state that Israel in the Last Days would be re-gathered to their former Borders. One can also observe that the Nations that also existed then in Ancient Times surrounding Israel, also now exist as well.

It was not until World War 2 that all these Arab-Persian nations came out of 'Mandates' as did Israel....Syria; Lebanon from the French, Egypt, Iraq and Jordan from the British, etc. Israel thereafter was to be sanctioned a State by a UN Partition Plan that coincidentally the Palestinians rejected and declared War on Israel instead. The entire Nation of Jordan was to have been the Palestinian Portion of the Partition Plan but the British double-crossed the UN and the Jews by establishing a Hashemite Kingdom instead. How the Nations and the UN are once again seeking to Divide the Portion set aside for the Jews that included Judah and Samaria, the ancient Kingdoms of Israel to carve out a State for the Arabs called Palestine.

*'The Palestinian People does not exist. The creation of a Palestinian State is only a means for continuing our Struggle against the State of Israel. For our Arab Unity. In reality, today there is no difference between Jordanians, Palestinians, Syrians and Lebanese. Only for Political and Tactical Reasons do we speak today about the existence of Palestinian People, since Arab National Interest demand that we posit the existence of a distinct 'Palestinian People' to oppose Zionism'. -Zahir Muhse'in*

In the Eschatological View of Islam, Israel has to be Subjected and eventually Destroyed to give Islam sustained Credibility and Legitimacy. The mere fact that the Hebrew Nation was reborn in 1948 and survived a 7-Arab Army Onslaught is a direct Assault and Affront to the Tenets of Islam. If Israel is to be the 'Head of the Nations' once more, in the not too distant Future, then it is to say that Islam is not the true Successor of YHVH's Revelation but an Imposter and Usurper Religion that denies the Person and Redemptive Work of the true Messiah, Jesus Christ. But so do the Ruling Religious Jews of Israel presently.

## **Right to the Land**

According to Mohammed and the Quran, Christianity but more urgently, Judaism has to be Destroyed. This is according its Teachings because it is tied to YHVH's Promise of the Land and its 'Title Deed'. In Shi'ite Theology, Israel cannot be allowed to Exist indefinitely because it would mean the following if the Nation of Israel is to exist.

- 1) It validates the Hebrew Bible and would negate Allah.*
- 2) It would mean that the Jews do have the Right to the Land.*
- 3) The Palestinian Covenant pertains to Isaac, Jacob, David.*
- 4) Islam is not the Religion of Peace and Tolerance.*
- 5) Mohammed is not a 'Prophet' of YHVH nor the Last.*
- 6) Mohammed, is in fact a False Prophet.*
- 7) Islam is just another Anti-Christ False Religion.*

The Notion that Islam and Judaism stem from the same 'God' is Foolish Logic and a wrong Interpretation. Allah is never mentioned in the Bible nor is Jerusalem in the Quran for that matter. No Muslim will ever Call Allah, 'YHVH'. The Islamic Belief-System only pays Lip Service to Abraham, the Prophets, King David, and even Jesus Christ etc. In essence, the Core Belief is that Islam is the successor of not only Judaism, but Christianity; the final Revelation and Authority from 'God.' In fact, Islam is the only 'Religion' that is designed to Negate the claims of Christianity, of Jesus Christ precisely.

In Islam, Jews but especially Christians are viewed as 'Heretics' and their Scriptures, the Bible as being corrupted. Currently any Convert from Islam to Judaism or Christianity is under Penalty of Death despite the claims of the Tolerant and Merciful Islamic creeds, hell-bent on Religious Dominance. Based on 1 John 4:3, Islam denies the Deity of Jesus Christ, and that He did not Physically Die on the Cross of Calvary. This in effect, nullifies the Saving Work of the Anointed One sent by the Creator YHVH as the only means of Salvation from Humanity's Sins. In essence, Islam is a Religion that is Systematically Anti-Christ, opposing the very Gospel of the Kingdom, the Promise of the LORD and the Work of the Cross.

Islam rejects Jesus Christ and awaits their own Messiah, the Mahdi. The Quran cannot accept that YHVH of the Bible is not done with Israel. No Muslim will ever say 'YHVH' is Great! They despise that the Promise of the Land was given by YHVH to Abraham's Descendant through Isaac and Jacob. And that one-day, 1 of their Descendants, Jesus Christ of the Tribe of Judah, will rule the World. This makes no room for Islam in the scheme of YHVH's Timetable and Millennial Kingdom that is to be set-up by Jesus Christ at the end of the Battle of Armageddon. As to the Moon Phase Theory on when Military Strikes occurred with Israel and their Muslim Enemies.

- In the Yom Kippur War of 1973, the Arabs used the Moon Phases to strategically attack Israel by Air.*
- In 1981, Israel destroyed Nuclear Facilities in Iraq and Syria in 2007 during specific Moon Phases.*
- Israel struck the 2 Enemy Nuclear Facilities, either on a Waxing or Waning Moon Phase.*
- Thus, the Next possible 'Strike Zone' Window could be in some future Waning/Waxing Moon Phase.*

## **Waxing Gibbous Moon Phase Strikes**

### **1) YOM KIPPUR WAR-October 6, 1973**

*Occurred during a Waxing Gibbous Moon Phase.*

*This War is known as the 1973 Arab-Israeli War and the 4th Arab-Israeli War. It was fought between Israel and a Coalition of Arab states led by Egypt and Syria. The war Began with a joint surprise attack on Israel's Holiest Day.*

### **2) IRAQ WAR -2 August 2, 1990:**

*On a Waxing Gibbous Moon Phase and Ended on Purim.*

*It is commonly referred to as the Gulf War I. The War was undertaken by a U.N. Authorized Coalition Force of 34 Nations led by the United States against Iraq in response to Iraq's Invasion and Annexation of Kuwait.*

### **3) IRAQ INVASION - March 19, 2003**

*On a Waxing Gibbous Moon Phase and Began on Purim.*

*It is commonly referred to as the Gulf War II. It was also known as Operation Iraqi Freedom. A Combined Force of Nations were led by the US, who sought to rid Iraq of Weapons of Mass Destruction and execute a 'Regime Change'.*

## **Waxing Crescent Moon Phase Strikes**

### **1) IRAQ: Osirak Nuclear Reactor-June 7, 1981**

*Occurred during a Waxing Crescent Moon Phase.- Operation Opera or Babylon*

*Israeli War Planes bombed and destroyed Iraq's Osirak Nuclear Research Facility near Baghdad. At that time, Prime Minister Menachem Begin claimed the Reactor was about to go into operation and was a threat to Israel because it could produce Nuclear Weapons. There was considerable Circumstantial Evidence that Iraq was indeed developing a Nuclear Weapon. Interestingly, now the Israeli Prime Minister, like Menachem Begin then, faces the same dilemma with Iran.*

### **2) SYRIA: Operation Orchard- September 6, 2007**

*Occurred during a Waning Crescent Moon Phase. – Operation Orchard or Outside the Box*

*Israeli War Planes bombed and destroyed a Nuclear Reactor in the Deir ez-Zor Region of Syria. The site was a Nuclear Facility with a Military Purpose. An International Atomic Energy Agency (IAEA) investigation did report evidence of Uranium and concluded that the site featured an Undeclared Nuclear Reactor. According to some Reports, a Team of elite Israeli Shaldag Special-Forces had arrived at the site the day before to aid in targeting. This Imminent War Scenario is exactly how Current Events are playing-out with the Explosions at various Iranian Nuclear Facilities And/Or Military Missile Bases.*

## **Current MOSSAD Covert Operations**

### **1) Bid Kaneh -November 12, 2011**

*An Explosion hit an Iranian Military Base near the town of Bid Kaneh outside Teheran, killing 17 Members of the Iranian Revolutionary Guard Corps and Maj.-Gen. Hassan Moghaddam, Chief Architect of the Islamic Republic's Ballistic Missile Program. Israel's MOSSAD is accused of orchestrating the Blast.*

### **2) Isfahan -November 28, 2011**

*An Explosion hit Isfahan, home to several Nuclear-Related Sites. It is said to be mostly a Uranium Conversion Facility. It is claimed that this Facility was severely damaged. The Incident took place 2.5 weeks after an Explosion at an Islamic Revolutionary Guard facility Bid Kaneh. It is believed that MOSSAD was involved.*

## **Moon Struck**

The following is a Comparative Narrative of the Armed Forces of Israel and Iran. The argument or Narrative is that Iran has gotten to the point that it has Enriched the Uranium needed to Nuclearize its Weapons, it has also mastered and ICBM Intercontinental Ballistic Missile System that is able to deliver a Nuclear Warhead not only to Israel, but now to Mecca and Europe.

### ***Army of the Guardians of the Islamic Revolution***

سپاه پاسداران انقلاب اسلامی

*It is often called the Revolutionary Guards. It is a Branch of Iran's Military, founded after the Iranian Revolution that ousted the U.S. backed Shah of Iran. The Revolutionary Guard is charged with protecting the Iran's Shi'ite Islamic System.*

### ***Israel Defense Forces (IDF)***

צבא ההגנה לישראל

*It is commonly known in Israel by the Hebrew Acronym, Tzahal (לה"צ). It comprises all the Military Forces Of the State of Israel. They consist of the Army, Air Force and Navy. It is the sole Military Wing of the Israeli Security Forces and has no Civilian Jurisdiction within Israel.*

In particular, precise Moon Phases have given the direct Timing as to when Israel struck at their Enemy's Nuclear Facilities in the past. And so have its Enemies. As noted, the Yom Kippur War in 1973 began when the Muslim Coalition launched a Joint Surprise Attack against Israel. The Code-Named for the operation was called Badr (Arabic for 'Full Moon'). Thus, the point is that by using Moon Phases, it can be determined, to some extent, how effective the Israeli Air Force will be in striking Targets due to Visibility, Lighting etc. If the Pattern is Reliable, then one can conclude that an imminent Air Strike by Israel is soon to take place in like manner with Iran. In fact, Covert Ground Strikes has already occurred.

Israel and Iran are in fact in a De-Facto Cold War. Israel has acknowledged it had something to do with the Covert Sabotage of the Explosions at the Missile Testing Sites of the Revolutionary Guard Base, outside Teheran and the Isfahan Nuclear Reactor. This Theory of considering the various Moon Phases to determine a 'Window or 'Strike Zone' does not mean it has to happen but that there is a High Probability that it could or in some future date it could happen. If so, such a Strike will likewise be dependent on a Waxing or Waning Moon Phase regardless of Season and/or Visibility Conditions. With the latest Technologies of Radar, like the Synthetic Aperture Radar (SAR), Targets can be identified and taken out in any Weather Condition, Day or Night.

These Moon Phase Strike Patterns by Israel are also suggested to have followed a Phi Ratio pattern of Time. Meaning? If the 1981 and 2007 Strikes are subject to the Phi Ratio Stipulation, then the Full-On Strike on Iran will occur in 2022/23. It is precisely correlated with the prior Strikes on Iraq in 1981 and with Syria in 2007. What will likely be more probable is that the next level of an Israeli Strike will be more Precise and most likely be Nuclear because the Covert Operations have not really deterred nor stopped Iran's Militarization of its Nuclear Program. If Israel is to strike Iran's Nuclear/Military Missile Sites and based on its prior Strike Phi Ratio Pattern, the Strike will occur either on a Waxing or Waning Moon Phase, as that would be the Opportune Time.
