CAREER ENRICHMENT Nursing Journey

Home to the world's oldest surviving culture, Australia is a nation where more than 226 languages are spoken in homes. Their rich diversity is reflected in local foods, festivals, and religious practices. From urban coastlines with spectacular, world-renowned beaches to rolling miles of wine-producing vineyards, to one of the seven natural wonders of the world—the Great Barrier Reef—Australia is a country you will fall in love with from the minute you arrive.

Program Highlights

- 7 nights / 10-day journey through Australia
- Cross a visit to the **Sydney Opera House** off your bucket list!
- **Accompanying guest program** – alternate activities will be provided for those who do not wish to attend the meetings.
- Nanda Journeys and the University of Pittsburgh School of Nursing are collaborating to develop this educational activity. **8.0 Continuing Nursing Education contact hours will be awarded for this journey.** *The University of Pittsburgh School of Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC) (PO229).*

Professional Focus

- The primary professional objective of this journey is meaningful interaction and collaboration between Australian and U.S. healthcare providers regarding **strategies for the improvement of global healthcare outcomes.**
- Meet with local medical professionals and **indigenous population leaders** at **regional hospitals or clinics** and a **school of nursing.** Receive an overview of medical systems and the role of nurses from a local healthcare or policy representative.

Focus on the community & culture

- Enjoy a fascinating walking tour of the **Royal Botanic Garden** with an **Aboriginal guide** to learn about the richly diverse history and culture of the Aboriginal People of Australia.
- Enjoy a **luncheon cruise** under the Harbor Bridge taking in the magnificent views of Sydney Harbor.

Why Nanda Journeys?
