

SMARTER MAINTENANCE STRATEGY

Routine fleet detailing is not a cosmetic expense — it's preventive maintenance.

Professional cleaning helps:

- Prevent corrosion & paint degradation
- Extend vehicle lifespan
- Protect wraps and branding
- Improve driver morale
- Maintain higher resale values

PROGRAM OPTIONS

Monthly Maintenance

Ideal for high-visibility fleets.

Bi-Weekly Service

For heavy-use operational vehicles.

Custom Corporate Agreements

Tailored to fleet size, budget, and service frequency.

Professional Mobile Fleet & Dealership Detailing

Your inventory and fleet vehicles represent revenue, reputation, and capital investment. We provide structured, high-performance mobile detailing programs designed to support dealership operations and commercial fleet performance.

**CARS, TRUCKS, SEMIS, TRACTOR
TRAILERS, CONSTRUCTION VEHICLES**

PROTECT YOUR INVENTORY.

Clean vehicles sell faster.
Well-maintained fleets last longer.

PROTECT YOUR BRAND.

Professional presentation builds customer trust.

WHY FLEET MANAGERS CHOOSE US

Operational Efficiency

We come to you. No off-site trips. No lost driver hours. No disruption to routes or productivity.

Asset Protection

Regular professional detailing preserves paint, interiors, decals, and resale value — reducing long-term depreciation and reconditioning costs.

Brand Presentation

Clean vehicles reinforce professionalism, safety, and trust at every customer touch-point.

Scalable Programs

We create structured service schedules aligned with your operational needs.
