

After Action for Denver Union Station Veteran Event with VFW Post 1

Rick Beaver, Greg Mann, Al Harinck and his Wife, Brian Wold, Bill Robie and his Wife, and yours truly and wife Candy all met at the Union Station Bar at 4PM. We enjoyed each other's company until the event began at 6pm when Rick and Greg disappeared. I gave them honorable mention and something about them having to get a beer. Music was provided by KYGO. Joe Diaz and John Harry, Commander of VFW Post 1, provided MC duties. Jessica Thrasher sang the National Anthem, and Major General Mike Edwards was the key note speaker, and I asked where in the world is Rick and Greg. The ceremony was short followed by a short fireworks display accompanied by Vietnam era music.

It was a fun event and the weather was perfect. I wish that more had been able to participate.
