~~ Special Thanks ~~

*My special thanks go out to Don Kaspar who
always generously allows the Gaslight Theatre
to borrow furniture, props and paintings to make
our sets so spectacular, to Jim Winkenwerder
who always helps us with lights, sound and
special projects that are over our heads, to Patti
Morales who lends her insight and talents with
costuming, to the Board of Directors for their
support, and, as always, to the multitude of
volunteers who make the Gaslight the special
place it is. Thanks also go to Anita Nicol and
The Raintree for helping us find the tuxedo.*
