Greetings! **The Arcadian Chorale** invites you to place an advertisement in the program booklets we give out to our audiences. Your ad will run for the **entire 2018-2019 season**--both our fall and spring concert series. Our performances are held throughout the greater Monmouth, Ocean, and Middlesex area, providing many excellent opportunities to reach local residents with your advertising message—and demonstrate your support for the arts in our community!

The Chorale is one of the most innovative musical ensembles in New Jersey, receiving countless standing ovations for the excellence of its presentations. The ensemble has appeared at New York's **Carnegie Hall** ten times, performing some very famous works, including Beethoven's *9th Symphony*, Verdi's *Requiem*, & the **NY premiere of *Ermione***, a lost opera by Rossini. In January 2010, the group made its debut at **Lincoln Center** in NYC, singing the "*Concert for Peace*."

This season will begin with a rousing holiday program, "**Sound the Trumpet!**", music for chorus and brass. There will be two performances: in **Freehold on Fri., Dec. 14 at 7:30 PM** at St. Rose of Lima RC Church; & in **Asbury Park on Sunday, Dec. 16 at 4 PM** at Holy Spirit Church. Both concerts will include students from area high schools, as part of the Chorale's **educational outreach** programs, plus a **community carol sing**.

Your ad makes it possible for us to meet the expenses of bringing this fine music directly into our community. The ads are offered at very low rates---we're sure there's one to fit your budget. Four standard sizes are available, as demonstrated on the left, each offering an exceptional value. If you have questions about this advertising program or about the Chorale, please contact us, & we'll be happy to assist you.

For a full view of our programs, we invite you to visit the Chorale's web site. Note that the Chorale is a **non-profit 501 (c)(3) corporation**, a member of the **Monmouth Arts & of the NJ Choral Consortium**.

We look at this as an opportunity to build a strong relationship between the community, its businesses, and its arts organizations. We appreciate your interest and support, and look forward to hearing from you.

Thank you,
