August 25, 2021

Chapel is Time for Fellowship!

Greetings Families,

The weather in Wisconsin does not disappoint me--it is warm one moment and then rainy and cold the next. This past Sunday, Joe and I went for a drive through the countryside. It was a simple reminder that the trees will be changing colors soon. I challenge each of you to take a drive with your family this weekend. Life gets so busy and simple moments get lost. Some of my best memories growing up were the Sunday drives my parents took us on looking at God's creation and visiting friends.

Students are jumping into the new school year with enthusiasm. I love listening to the students share time in the morning, at lunch or throughout the day. Students bring the school alive! Teachers are using Google classroom and RenWeb to publish class and homework assignments. Students have all

received a new email address that is through our domain, wolfriverlhs.org. Our school is now a Google Workspace for Education school.

My door is always open! Have a wonderful week in the Lord!

Blessings,

Mrs. K.

VERSE FOR TODAY: Have you listened to the word of God, and then went about your day, forgetting the words you heard? It is so important as Christians that we continue to hold Christ's teachings close, so that we will know the truth and it will set us free!

HOT LUNCH NEWS: Hot lunch was provided by Mrs. K. today. Joan and Dennis Genke supplied the chips. Ice Cream Sundaes topped off the delicious meal. *Next week*, Mrs. K. will prepare her famous Baked Mac N Cheese, hot dogs, topped off with cookies by Joan and Dennis Genke. The hot lunch teams will begin serving hot lunch on Wednesday, 9/8! Mrs. Wichman is organizing hot lunches for the year.

FAIR PARKING UPDATE: WE NEED YOU! We have many open spots at the fair next week. Please help us cover these shifts. We are asking all supporters of the school to help us park cars and handle the ticket booths. It will be a time of fun and fellowship throughout the day! **Please contact Mrs. Baker at 715-758-8874 and she will gladly put your name on the schedule. This major fundraiser for WRLHS has 65 spots to fill in a very short time. Please help us be successful!!!!**

VOLLEYBALL NEWS: *Practices are Monday, Tuesday, Thursday, and Friday from 3:30-5:00 pm unless there is a game. The first home game will be on September 9th at 5:30 pm.*

Make plans to attend the game and cheer on the WRLHS team!!! Concessions will be available.

Stop today, Wednesday, August 25th, at PAPA Murphy's One Day Fundraiser and support WRLHS! The code is SUPPORT when you check out!

Order your WRLHS spirit wear at <https://tinyurl.com/yf57tqc4>

COVID REMINDERS - Our goal as a school is to remain open for learning, Monday - Friday, for all students and teachers, all year. If a family member is being tested for COVID, please contact Mrs. K. at 402-270-7172 so that a plan can be made concerning the student(s) of the family. Students cannot be at school if a parent or family member tests positive for COVID. They will have to be quarantined and conduct school virtually.

*About COVID-19: COVID-19 is an illness caused by a coronavirus. It spreads from person to person through droplets created when we cough, sneeze, talk, sing or laugh. Most people who get COVID-19 have mild illness, similar to having a cold or the flu. However, in others it can cause severe illness, such as pneumonia. Symptoms of COVID-19 include: • Fever (temperature 100.4°F or higher) • Cough • Trouble breathing • Chills • Muscle/body aches/Headache • Lost sense of taste or smell • Runny nose or nasal congestion • Fatigue • Nausea, vomiting, or diarrhea

The CDC's website has good information about COVID-19: www.cdc.gov/coronavirus.

Note that quarantine for 14 full days after the time of exposure remains the safest strategy for preventing asymptomatic transmission of COVID-19. For shortened quarantine periods to be acceptable, the following conditions must be met: • The quarantined person monitors for symptoms for 14 days. • The quarantined person does not experience any symptoms of COVID-19. • The quarantined person agrees to immediately self-isolate and contact the local public health authority and/or a health care provider if symptoms develop. • The quarantined person adheres strictly to all recommended COVID-19 prevention measures (i.e., consistent mask use, physical distancing, and avoiding crowds) for 14 days.
