

EXPERIENCE XL - Request Form

When you request BossUp101- EXPERIENCE XL, we ask that you provide general class demographics. Indicate selection time frame for EXPERIENCE XL: 2-weeks or Semester (two reporting periods). Point of contact, for discovery call. Finally, we will be addressing specific areas for your students involved in the EXPERIENCE XL sessions. So, in the notes section, please feel free to add particular focus areas that would assist your students i.e. key curriculum items, areas of challenge. Our team, of coaches/guest speakers will be sure to cover the topic areas in greater detail.

The 2-Week session we will offer: Brainstorming session to pick specific business plan for development, this will come from students majority vote, 1 Coach/Guest speaker to cover lean start-up best practices and art of the pitch, support to students as they: work together on business launch, website, logos, market research etc. End of second week groups will enter boardroom and pitch their business. Top 2 will win prizes and become finalist for Boss Explore program.

The Semester session we offer: Brainstorming session to pick specific business plan for development, this will come from student's majority vote, 2 Coach/Guest speaker to cover lean start-up best practices/art of the pitch and market research, support to students as they: work together on business launch, website, logos, market research etc., 2 business site visit (as coordinated with teacher). Twice within the semester we will have boardroom pitch competitions to develop first round winner. At the end of semester we will have a final boardroom pitch the finale winner will be the group of 4, that gains the chance to participate in our Boss Explore-Capstone -teachers typically request this second semester.
