

Well I am confused, it was suggested that we have a meet up last month and I was the only one there. Did I get the wrong date? If I did I am sorry, contact me and we can try again. Anyway it was a nice ride.

If anybody knows somebody who wants Look Twice signs have them call me 517 647 6623. I have had two people call and we now have 4 more signs out there.

We need to get our raffle tickets back to Patty by August 1st, contact me so we can collect any outstanding tickets, sold or unsold, back to ABATE.

MRF reports that NHTSA released it's 5 year motorcycle safety plan. It hits on helmet laws, motorist awareness, barriers to rider training, among other things. Motorcyclists is reported as 14% of traffic death, while being only 3% of registered motor vehicles.

I'm finally getting some dry riding time and looking forward to more rides with ABATE regions. If you missed the field meet I feel sorry for you, it was a fantastic weekend.

See you on the the road

Nick
