LICENSED AGENCY MANAGER

# Island Crime Update

*For Amelia Residents*

**We worry so you don't have to.**

Your unoccupied home represents a significant investment. It may also hold heirlooms that are irreplaceable.

Give your home the protection it needs against technical failure or Florida weather, unpredictable damages and opportunist criminals. Safe N Secure professional agents protect homes and businesses with the privacy our clients demand.

We live here, too. Come experience how top of the line technology plus our highly qualified agents make us an unbeatable team!

**Crime/Criminal Trend**

1,000,000 people every year become felons. Today states, counties and cities are receiving fewer funds for maintaining prisons and are releasing prisoners.

# Problems / Solutions

## Realistic Private Security Response For Your Home

**IF** we made one long road out of all the Nassau County roadways it would stretch from Yulee to New Jersey.

**IT** is simply not feasible for Law Enforcement to constantly watch YOUR streets, and YOUR particular issues.

~~PROBLEM~~

SOLUTION

### UNOCCUPIED HOME EXPOSURE

Even if you have an alarm with remote monitoring, Police and emergency services don't have keys to enter, and your friend/neighbor may be away, too.

### LOVED ONE LIVING ALONE

Independent people don't like feeling watched or supervised. Yet, dialing 911 is not acceptable each time they don't answer the phone.

### GUESTS STAYS WITHOUT YOU

"Trust But Verify" never hurts. Wouldn't it be nice to be able to send an agent to welcome your guests, give them the keys and provide contact info in case of trouble?

## Featured Services

For more information on these services go to [www.MyFernandina.com](http://www.MyFernandina.com)

The following listing represents an assortment of programs and services available from Safe N Secure. Safe N Secure has two distinct locations of operation on Amelia Island, one on the south end and one on the north end.

### Alarm Responder

We pick up where others leave off. After 1st responders leave there still is work to do . . . securing the property, checking if something is missing, calling a contractor, etc.

### 24/7 Emergency Response

With or without 24/7 Access Monitoring, our Disturbance Response Service also includes a response vehicle that can manage many issues ranging from blocked access to securing a gate.

### Key-Holder

As key holders we can solve problems on your behalf. From granting access for a delivery or the annual termite inspection, to providing a set of keys to visitors.

### Home-Watch & Storm-Check

Forgot to stop the paper delivery or want to make sure everything is okay inside? A big storm came through, everyone evacuated but Safe N Secure. We'll take care of everything.
