

Most teachings on the Love of God give us instruction as to walking in love towards those around us. True, this is a very important matter indeed. Remember that this was one of three whom Jesus had in His inner circle. The only one who was so intimate with Jesus that the Bible says that he “leaned on Jesus breast”. What was it that was different between John and Jesus. Did Jesus love John more than the rest? That would be impossible for the God who is no respecter of persons. Then, how did that intimacy between John and Jesus take place? I believe that it was Johns understanding of Gods great Love to him. In the writing of John the beloved, John makes this statement, “We love him, because he first loved us.” – 1John 4:19.

In this 12 part teaching Dr. Hohman teaches us how to open up to God and receive his everlasting love for our lives. Which in turn will draw us ever closer to God and change us to be just like He is.
