

**OCRACOKE COMMUNITY
PRESS RELEASE**

November 5, 2011

**Notice of a Public Meeting
Affordable Housing Update**

Tuesday November 8, 2011 at 5:00PM
Ocracoke Working Watermen's Exhibit

Purpose is to discuss the data compiled since last December's meeting with Mr. Trey Smith with NC Department of Commerce Division of Community Assistance.

We will review GIS mapping, data of existing housing, potential solutions and discuss which fits Ocracoke's needs best. We will also prepare to take this information to the Affordable Housing meeting with the Creating Sustainable Communities Resource Team scheduled for Tuesday November 15, 2011. This will be an all day workshop to focus on needs identified in prior community workshops, one of which was affordable housing. The workshop will start at 9:00AM. Stay tuned for forthcoming emails.

A partial list of Resource Team is NC Department of Commerce Division of Community Assistance, NC Rural Economic Development Center, NC Sea Grant, and The Conservation Fund.
